You Can See It...You Can Taste It!

The EAT in the MEAT that makes "Super-Right" your best buy shows up in a way you can see. You see it in the corn-fed beef steaks and hearty rib roasts that have the wasteful fat and bone trimmed away. You see it in bright color of the freshly ground beef that's double-ground for tenderness. You'll see it where it counts—in the meat you serve your family—in your budget, too!

The EAT in the MEAT comes only from constant care. That's why A&P maintains its own gov't.-inspected warehouse devoted exclusively to meat processing. Under the watchful eye of our staff of experts passes every pound of meat destined for your family. This care continues right up to the minute your purchase is made. You can count on "the EAT in Super-Right meat"—and on A&P's money-saving prices—because we care about YOU.

The EAT in the MEAT that A&P promises, starts long before you see it, however. It begins with A&P selections from the nation's top packers. They know "Super-Right's" strict quality standards for beef, pork, lamb, veal and poultry. And our buyers know that if every pound can't be guaranteed—it's not "Super-Right" quality.
