Britt Appointed Coordinator For Cliff Blue Drive

State Representative David M. Britt, of Fairmont, a strong supporter in the first primary, has been named state coordinator for House Speaker Cliff Blue in his runoff campaign with Bob Scott for Lt. Governor.

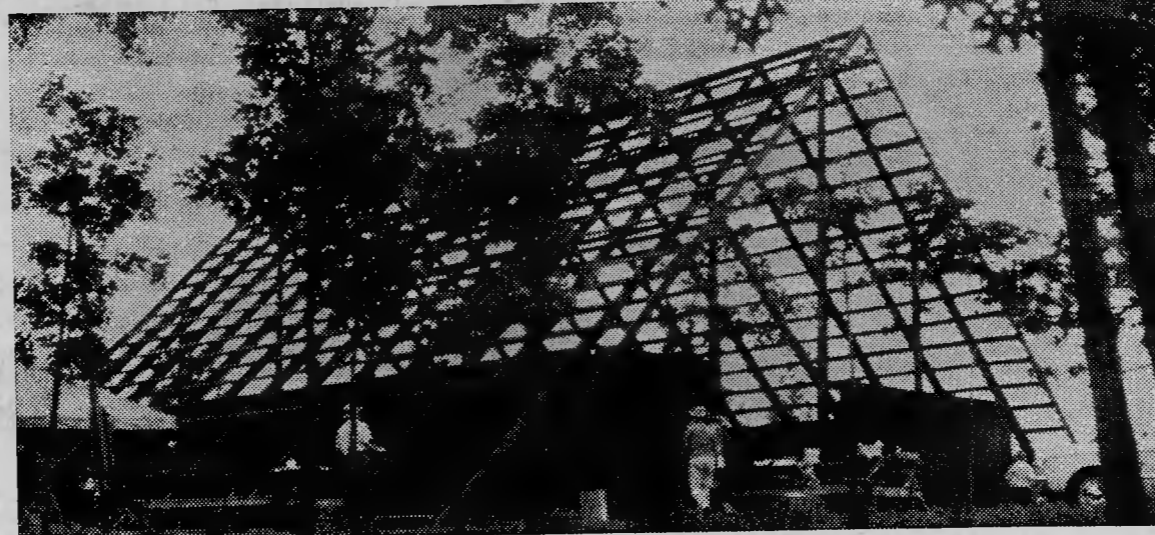

Britt will be a key member of the campaign staff now set up in Blue's new state headquarters in the Hotel Sir Walter at Raleigh.

He will assist Blue's state manager, Sam Burrow, a former member of the General Assembly from Randolph County, in directing the stretch drive.

Britt, who was nominated without opposition for a fourth term from Robeson County, was chairman of the appropriations committee during the 1963 session and is now serving on the Advisory Budget Commission.

He was a member of the commission on Reorganization of State Government between the '61 and '63 sessions of the Legislature that recommended creation of the Department of Mental Health by the 1963 session. This Act provided state aid in establishing mental health clinics throughout the state.

Britt, a Baptist, is a member of the Board of Trustees of Wake

MOORE COUNTY WILDLIFE CLUB HOME, being constructed by the membership on a "pay-as-you-go" plan beside their lake on the old N'agata-Lakeview Road. The unique "A-frame" structure, 40 feet wide and 60 feet deep, was designed by Howard Butler, who is now club president. Rafters of 50-foot creosoted poles extend from ground to rooftop, 30 feet up. The lodge has no roof or floor as yet. Photo was taken while preparations were under way for a fish fry recently. (Photo by V. Nicholson)

FACULTY ENTERTAINED BY GRADE MOTHERS

The Grade Mothers of West Southern Pines School entertained the faculty at a buffet dinner in the school cafeteria recently.

Mrs. Lelia Turner, president of the Grade Mothers, greeted the group and Mrs. Mary Dowdy spoke words of welcome, stressing appreciation for the strong interest shown by the faculty in the children, school and community.

H. A. Wilson, principal of the school, responded for himself and the faculty. He said that the thoughtfulness of the Grade Mothers was highly appreciated, giving new strength and courage to the faculty.

Centerpieces of red roses decorated the U-shaped arrangement of tables in the cafeteria.

SECOND GRADE CLASS REPORTS ON PROJECTS

The following report on activities of Grade 2-B in the West Southern Pines School was prepared by five students in the class—Priscilla Armstrong, Sandra Monroe, Donessa Wicker, Valerie Graham and Debora Rogers:

We, members of Grade 2-B, have had much fun in our work this school year. We have four

special activities we will mention.

1. Our class gave a playlet "Lunchroom Manners." It was original; that is, we made it from our lunchroom problems. It helped us develop better social habits, skills and attitudes. All enjoyed it.
2. We gave a breakfast party in our classroom. It was real fun. We learned that breakfast is an important meal because the body has used all of the food during the night. We made booklets, placemats, charts and the menu. We had cereals, fruit, bread, butter, and milk. We found milk to be the "king of foods" because it has some of all the body needs to help it grow.
3. On May 21, we gave a party for the mothers of our class. Most of the mothers were present. They enjoyed everything. We had poems before serving. We invited our principal, Mr. Wilson, who made a nice talk. He was glad to see so many mothers out. Deborah Rogers brought her father and mother.
4. Our Grade Mother, Mrs. Ann Stevenson, gave the class a surprise party on the last day of school. We enjoyed everything. We are looking toward another successful school year.

WHICH CHECK PLAN DO YOU LIKE BEST?

SPECIAL RITE-CHECK PLAN
If you write only a small quantity of checks each month, you would probably prefer our Rite-Check Plan at 10 per check. Because there's no monthly service charge with this plan. Your checking account balance is always accurate and up-to-date.

REGULAR CHECKING ACCOUNT
If you pay most bills and household expenses by check, a regular checking account serves you better. With this plan, your service charge is determined by the number of checks you write in relation to your average account balance. We invite you to open either type at Citizens Bank.
