SAVINGS & LOAN

Sanford Firm's Plea For Branch Here Is Denied

A resolution of the Federal Home Loan Board in Washington, D. C., made public here this week, disapproves the application of the First Federal Savings and Loan Association of Sanford to establish a branch office at the corner of S.W. Broad St. and Wisconsin Ave., in Southern Pines.

No reason for the action was given in the formal resolution, which was dated June 29, other than that "it is determined that there is no necessity for the branch office in the community to be served."

The Sanford association made application to the Board for the proposed branch office last year and purchased a lot across Wisconsin Ave. from the S. W. Broad St. office of the Citizens Bank and Trust Company.

A hearing officer for the board heard testimony for and against the proposal at a hearing in Washington last December 19.

When the Sanford association announced that it was applying for permission to open a branch here, it stated that it has numerous borrowers and depositors in this area.

The Southern Pines Savings and Loan Association and the Aberdeen Savings and Loan Association opposed the application on the grounds that they can adequately serve the lending and savings needs of this area. Both the associations were represented at the Washington hearing.

Glover Cops Medal In Golf Tourney; Cheek Runner-up

In last week's qualifying round of the 21st annual Moore County Golf Tournament, being played through August 1 at Whispering Pines Country Club, Russell Glover of Whispering Pines, winner of the recent Sir Walter Kiwanis Tournament, captured the medal with 66. Runner-up to the medalist was another young Whispering Pines golfer, Mike Cheek, with 70.

First round play is continuing this week in eight flights. Pairs in the championship flight are: Bill Woodward, defending champion, vs. Charlie Rose; Billy Wilson vs. W. W. Simpson; Mike Cheek vs. Carlos Frye; Pete Tufts vs. Jerry McNeill; Russell Glover vs. George Hafeli; Gene Harmon vs. John Marcum; Joe Carter vs. Harry Davis; and Don Heppes vs. Charles Russell.

Second round play will continue next week; third round, July 20-26; and the finals on August 1.

All first round losers drop to consolation flights.

SERVICES GIVEN

Two services hitherto not publicly recognized among the many organizations and companies donating labor or materials or both to Camp Easter in the Pines, the local camp for handicapped children, were reported to The Pilot this week: floor sanding by J. B. Short and wiring by McPherson Electric Company.

Theatre Policy Changes; Negroes Enter Without Incident

The Sunrise Theatre here, which in recent weeks had been the scene of several demonstrations by Negroes who were each time denied admittance, relaxed its racial segregation policy Friday, the day after the Civil Rights Act was signed into law by President Johnson.

Four Negroes, a young man and three young women, were admitted to the theatre without incident Wednesday night. They sat where they chose and patronized the concession stand in the lobby.

Robert Dutton, manager, said late Wednesday afternoon that up to that time two children had been the only Negroes patronizing the theatre. Five adult Negroes were not admitted, he said, on Thursday of last week, the day the bill was signed by the President, but the new policy went into effect Friday.

The theatre had formerly admitted Negroes only to the bal-

VIEW COLLEGE PLANS—Dr. Raymond Stone, president of the Moore County Community College (extreme right in lower photo) points to a watercolor sketch of proposed college buildings (shown in detail in top photo) as members of the college board of trustees and board of county commissioners look on. Left to right: J. E. Causey of Lakeview, trustee; Commissioner J. M. Pleasants of Southern Pines, J. C. Robbins of Aberdeen, trustee; H. Clifton Blue of Aberdeen, board of trustees chairman; Commissioner Tom Monroe of Robbins; Commissioner J. M. Currie of Carthage; R. S. Ewing of Southern Pines, trustee; and Dr. Stone. The proposed Administration-Library Building is depicted in center of the picture, with the College Center partially visible in left background and a portion of the Science-Technology building in right back-

ground. Others attending the luncheon meeting at Doug Kelly's Holiday Inn Restaurant Monday were John Taylor of Pinehurst, Tom Hunter of Richmond County and Dr. W. E. Alexander of Robbins, college trustees; W. P. Saunders of Southern Pines, chairman of the Citizens Committee that worked for last year's county bond issues for college and schools; William F. Banaghan, dean of instruction, and Sidney G. Chappell, director of student personnel, of the college staff; Miss Inza Abernathy, secretary in the college office here; M. G. Boyette of Carthage, county attorney; Mrs. Estelle Wicker of Carthage, county accountant and tax supervisor; and John C. Muse of Sanford, county auditor. L. R. Reynolds of Highfalls, chairman of the board of commissioners, and Commissioner W. S. Taylor could not be present. (Humphrey photos)

COMMISSIONERS, TRUSTEES HAVE MEETING

College Finance Problem Discussed

An estimate of enrollment at Moore's Community College at least 50 per cent higher than previously foreseen, with the likelihood that a larger plant than had been planned should be built at the beginning, was presented to the county commissioners Monday by members of the college board of trustees.

Chairman H. Clifton Blue of the college board told the commissioners that present trends

indicate an enrollment of 600, rather than 400. With contract letting time approaching, it appeared that adequate facilities would cost \$1,500,000 instead of the \$1,000,000 for which bonds had been voted, he said.

It is expected all the money will be available, since the State has pledged \$500,000 from surplus funds, if there is a surplus, and it is expected there will be one, to be announced before the end of this month. The problem, said Blue, is that, when the county bonds were voted last fall "the people were advised that if the State's half million was available, the county would be called upon to issue only \$500,000 rather than the full million in bonds.

"We want to lay our cards on the table and talk frankly with you county commissioners, just as we want to talk frankly with the people. It's the people's college. We are only trustees for the people as well as the college.

"The question is: Should we limit ourselves—and when I say ourselves, I mean the people of

this area and particularly the young people—to an institution with facilities to take care of some 400 students or should we go ahead and call upon you county commissioners to issue the full million dollars in bonds, even though we receive from the State the half-million which we feel

Blood Donations Short Of Quota

In collections made by a Red Cross bloodmobile in Moore County last week, 70 pints were donated at Carthage on Thursday and 98 pints at Southern Pines on Friday, reports J. R. Hauser, county blood program chairman.

Saying he realizes that just before July 4 is a "tough time" for blood collections, Mr. Hauser expressed thanks to those donating, but pointed out that the totals leave the county 52 pints short of its quota.

The two collections were the first of a new year for the blood program which runs from June to June.

Jim Besley Shoots Ace On Birthday At SPCC

Jim Besley of Southern Pines spent his birthday, July 7, playing golf at the Southern Pines Country Club.

Playing with his grandson Scotty Besley, age 13, of Miami, Fla., he aced the 177-yard 14th hole with a five iron. This was his second hole in one. The first was scored on the old Teugega Country Club, Rome, N. Y., on May 17, 1920.

Ted Robertson, greenskeeper, and three of his men were working on the 14th green and witnessed the ace.

Jim was using a Spalding Dot golf ball and when he arrived home he received a present from his son, Jimmie, of Rome, N. Y., and the gift was—you guessed it—one dozen Spalding Dots.

Scouts To Attend Big Jamboree At Valley Forge, Pa.

Seven scouts from troops 223 and 873 of Southern Pines will leave tomorrow (Friday) for the National Boy Scout Jamboree at Valley Forge, Pa., when 60,000 scouts from the United States and other nations will convene.

Attending from Southern Pines are Arthur and Leo Jellison, Vaughn Lamb, Mark Liddell, Mike Rainey, Donald Roth, and Mike Warlick. They will join other scouts in Fayetteville to form Jamboree Troop No. 43 for the two week encampment. Five other boys from Moore County will be with the group.

On their way to Valley Forge the local boys will spend a day touring Washington, then travel to New York by way of the Gettysburg Battlefield. While in New York the scouts will visit the Boy Scout Headquarters at the World's Fair and take a boat trip around Manhattan.

The next day they will go to Philadelphia where a walking tour of the city is planned, before going on to Valley Forge.

During the two week Jamboree the local troop will camp with scouts from Iceland, three of whom will return to Southern Pines for a two-day visit at the close of the Jamboree on July 24.

David Drexel, scoutmaster for troop 873 of Southern Pines, will be one of 12 field directors on the Jamboree staff, in charge of scoutcraft competition. He is a commissioner of the Oconeechee Council.

Scoutmasters for Jamboree Troop No. 43 will be Rudolph Ellis, Fred D. Fisher and Sam D. McMillan, Jr., all of Fayetteville.

50th CGA EVENT TO OPEN JULY 17

Entries will close Monday, with the field limited to 200, in the 50th Annual Amateur Championship of the Carolina Golf Association, to be played on the No. 2 course at the Pinehurst Country Club, July 17-21.

Clyde G. Mangum, executive secretary of the association which draws its members from over North and South Carolina, said yesterday that the field had reached 136, with more entries expected.

Billy Joe Patton of Morganton, who is the current president of the Association, will attempt to become the first four-time winner of the championship. Also entered is Charles B. Smith of Gastonia, 1962 winner, along with a host of the top amateurs from the two states.

Full details will appear in next week's Pilot.

Dr. Mann Will Move Office On July 15

Dr. D. W. Mann, chiropractor, is moving his office July 15 to 680 S. W. Broad St. to the office formerly occupied by Dr. Emily Tufts.

WITH SAVINGS & LOAN ASSN.

J. E. Causey Elected To New Position

The election of J. E. Causey as executive vice president of the Southern Pines Savings and Loan Association was announced this week.

The new post gives Mr. Causey, who has been a member of the association's board of directors for several years, full authority to act in conjunction with the president, L. L. Woolley, it was explained.

Hitherto, the vice president could act only in the absence of the president and did not have full decision-making power at all times, it was stated.

Mr. Causey, a building contractor whose office is in Southern Pines and residence is at Lakeview, heads the Causey Construction Co. He has been an independent contractor since 1940. He is also a licensed realtor and broker with the Causey Insurance and Realty Co., but is no longer active in the insurance side of the business.

Long active in community affairs, he is a trustee of the Moore County Community College, is

Formal Opening of New Camp Easter Scheduled; Mrs. Sanford Expected

Camp Easter in the Pines, North Carolina's camp for handicapped children, will have its official opening Sunday afternoon, with the public invited.

Mrs. Terry Sanford, this State's "first lady," will appear on the opening program scheduled from 2:30 to 3 p.m. Clarence E. White-

field of Durham, president of the North Carolina Society for Crippled Children and Adults, will preside over the program, which will also feature a talk by the National Society treasurer, Jeff Bates of Columbia, S. C. The State Society owns and operates the camp.

Mayor Norris L. Hodgkins, Jr. will extend a welcome, and Voit Gilmore of Southern Pines, State Senator-Nominate, who is credited with first conceiving the idea of establishing the state's "Easter Seal" camp in the Sandhills, will introduce Mrs. Sanford.

The "speaking program," for which a tent will be erected near the camp entrance, will be followed from 3 to 3:30 p.m. by a "campers' program." This participation by the children attending the second camping period now under way is being planned and will be executed by themselves.

From 3:30 to 5 p.m., the visitors will be invited to tour the camp, with members of the Southern Pines Junior Woman's Club as hostesses and guides. Cold drinks will be served.

Members of Southern Pines Boy Scout Troop 223 will assist with parking throughout the afternoon, with their Scoutmaster, Dr. Bruce Warlick, and assistant Scoutmaster Robert Lamb.

The program is being sponsored by the N. C. Society's Moore County Chapter of which Mark Liddell of Southern Pines is chairman. Officers and directors (Continued on Page 8)

REP. CHARLES R. JONAS

Jonas Will Hold 'Office Hours' In County Next Week

Charles R. Jonas of Lincolnton, Republican Congressman for the 8th District which includes Moore County, will hold "office hours" in several Moore County communities next week, during a district-wide tour he is making to meet his constituents during a recess of the House of Representatives in Washington, July 3-20.

Wallace W. O'Neal, chairman of the Moore County GOP Executive Committee, announced the Congressman's schedule as follows:

Tuesday, July 14—1 to 1:30 p. m., Pinebluff town hall; 2-2:30 p. m., Aberdeen town hall; 3-5 p. m. (Continued on Page 8)

Fellowship Group To Wash Cars On July 15

The Senior High Fellowship of Brownson Memorial Presbyterian Church will conduct a "car wash" Wednesday, July 15, from 9 a.m. to 5 p.m., at the church driveway. Fees paid by persons who bring their cars there to be washed will be used to recondition a house which has been made available for Fellowship meetings and recreation.

COUNTY SYSTEM GETS ALL CAPITAL OUTLAY

Moore Budget Holds \$1.05 Tax Rate; Board Splits On School Money Voting

A 1964-65 budget that holds the tax rate to \$1.05 per \$100 of property valuation, listing total requirements of \$1,563,917 and a property valuation of \$89 million was tentatively approved by the county commissioners Monday.

The budget went on file Tuesday in the office of the register of deeds, open to public inspection for 20 days. By law the commissioners must adopt it formally by July 28. The budget covers the fiscal year starting July 1.

The commissioners also adopted a resolution permitting the expenditure of county funds and other fiscal business of the county, until the formal adoption of the new budget takes place.

The new budget's total re-

quirements can be compared with a total of \$1,471,240 in the budget estimate published a year ago. Property valuation for the past year was estimated at \$85 million as compared to the \$89 million this year, reflecting new construction of business and residential property over the county.

A new item in the 1964-65 budget is an appropriation for the community college — \$62,056 which consists of \$22,112 for debt service on the county's \$1 million bond issue for the college and \$39,944 for other college expenses.

School Money Action

Funds for school capital outlay (construction and major repairs) are listed at \$373,243. This entire amount, by another action of the commissioners Monday, was assigned to the Moore County school system, to be applied, along with bond funds, on construction of the Area II (Westmoore, Robbins, Highfalls) consolidated high school, with a recommendation that next year's entire capital outlay appropriation be assigned to the Aberdeen-West End districts of the county school system and to the independent Southern Pines and Pinehurst administrative units.

Action on the capital outlay assignment was taken in the afternoon session of the commission (Continued on Page 8)

MR. CAUSEY

THE WEATHER

Maximum and minimum temperatures for each day of the past week were recorder as follows at the U.S. Weather Bureau observation station at the W. E. B. studios on Midland Road.

	Max.	Min.
July 2	88	68
July 3	90	69
July 4	84	70
July 5	82	63
July 6	88	57
July 7	89	59
July 8	86	69
