

Pat Starnes And Nine Of Her Students To Attend Dance Caravan Convention

Nine of the advanced students of the Pat Starnes School of Dance will accompany Pat (Mrs. Boyd) Starnes to Columbia, S. C. Sunday for three material-packed days of study with some of America's top dance instructors at the Dance Caravan Convention in the Wade Hampton Hotel.

While students are learning new steps in tap, ballroom, ballet and jazz, plus the latest teenage dance crazes, Mrs. Starnes will be receiving instruction, along with other dance teachers, in over 60 dance routines.

Of the girls pictured above, in the Can-Can number from the spring revue of the Pat Starnes School of Dance, all but two will attend the Convention. Shown, from left to right, they are, front: Norma Edwards, Nell Wisler; back row: Jennie Farrell, Aberdeen; Janet Markham, West End; Judy Woodcock, Pinebluff; Bonnie Moss, Aberdeen, Nancy Phillips, Southern Pines; Helen Heath Hanner, West End. Nell Wisler and Janet Markham will not attend.

Also going, from Southern Pines, are Karen Starnes and Susan Shore and Anne Bacham, formerly of Southern Pines, who now lives in Barnwell, S. C.

Among the dance instructors who will be teaching at the meeting are:

—Tania Karina, French ballerina who has toured the United States as a star of the Ballet Russe de Monte Carlo, will instruct in the latest ballet techniques.

—George Jack, who will teach jazz. From Hollywood, Calif., Mr. Jack appears in the movie "The Unsinkable Molly Brown," and has been in four recent top Broadway musicals.

—Bonnie Lee Ratzin, considered one of the world's greatest

female acrobats, will instruct in her specialty. Miss Ratzin has appeared on the Jackie Gleason TV show, in the original Broadway cast of the "Music Man," and gave three command performances in Monaco for Princess Grace.

At the conclusion of the study sessions, teen-age and adult students will be entertained at an hour-long show to be given by the 11 instructors at the convention.

Mrs. Starnes said this week she plans to begin her regular fall dance lessons in September after schools open.

Michaels Store Is Robbed; Two Youths Admit Several Break-Ins In County

Michael's Store on the Southern Pines - Carthage Road was broken into Friday night and robbed of around \$150 worth of canned goods, shoes and other items, it was learned from the Moore County sheriff's department.

Chief Deputy H. H. Grimm, investigating, said entry was made through the front door after the glass had been knocked out of it, then the thief or thieves went out through the back.

The Pinehurst Warehouses, Inc., was also broken into over the weekend, through a side door on the railroad track side, and about \$50 worth of miscellaneous items taken: an alarm clock, one ladies' and one men's wrist watch, several lighters, etc. The coke machine was also broken open.

Several other recent break-ins were reported solved with the arrest of two Harnett County youths by the Lee County sheriff's department Boyd Kay Price and Bobby Sharpe, both about 21, of Sanford Route 6, admitted a number of break-ins and robberies in Moore, Lee and Harnett counties. Grimm, interviewing the youths at Sanford, tied them in definitely by means of fingerprints with several in Moore, and they admitted their guilt in these cases, he said.

A third youth, Thomas Kelly, also of Sanford Route 6, was arrested and may be implicated, according to Deputy Grimm, who said Kelly is being interrogated. Warrants have been issued for Price and Sharpe charging them

with breaking and entering, larceny and receiving, in the robberies of the new Golf World offices in Southern Pines, and Smithson Fabrics on US 1 north of Southern Pines, and Smithson Fabrics on US 1 north of Southern Pines; the Pinebluff Products Co. at Pinebluff, the Sandhills Dental Clinic at Aberdeen and Marsh's Store on Carthage Route 2. Golf World and Pinebluff Products Co. were victimized twice.

A good deal of the loot was recovered, said Grimm, who reported he found the cash box and fancy electric clock taken from the Sandhills Dental Clinic at Price's home.

The young men face trial in Moore county after trial for their offenses in Lee.

Price was apprehended during an attempted break-in of a drug-store at Broadway, and Kelly, his accomplice, who at that time gave the officer the slip, was picked up later. Sharpe came voluntarily into the Lee County sheriff's office a couple of days after that.

The three youths reportedly have clean records up till now. Price, who is physically handicapped as the result of an automobile accident, has been married about one year.

Black bears are the largest of the more than 50 species of animals native to the Great Smokies Park area, and glimpses of "Smokey himself" along roadsides and at camp-grounds fascinate visitors.

FOLLOWED TO RAEFORD

Boy From Training School Arrested For Stealing Automobile, Aberdeen

A car stolen late Tuesday night from in front of the Martin Motor Co. at Aberdeen was returned when the driver was pursued and apprehended at Raeford.

Deputy Sheriff J. A. Lawrence and others at the Styers service station noticed the car as it went past on South Street at 11:25 p. m., without lights. They recognized the 1959 Chevrolet as one which, a few minutes earlier, had been seen in front of the motor company a block away.

Deputy Lawrence jumped in with J. B. Edwards, who drove his car in pursuit. A quick phone call brought another interested person, Lee Buchan, of Martin Motor Co., which owned the stolen vehicle.

They had no difficulty following the Chevrolet, and at Raeford secured the help of a city police officer in getting it stopped, and the driver arrested. He turned

out to be John Lee Holley who told officers he had left the Morrison Training School, the State institution for Negro boys at Hoffman "about suppertime." At Aberdeen, wanting a car, he tried first to break into Wicks Chevrolet, he said, but was unsuccessful. Walking on downtown, he spotted the Chevrolet and found he could get it started.

Holley was placed in Moore County jail at Carthage, where he is awaiting preliminary hearing in Moore Recorder's Court on Monday.

PROMISSORY NOTE

Schoolchildren in Brooklyn, New York, sent \$1 to CARE, with a note explaining it represented 5c fines imposed by their teacher each time they are caught chewing in class. "Be looking forward to further donations," they promised, "because we love to chew."

AT MUSIC CAMP
Kent Thompson left Sunday for two weeks at the Music Camp at East Carolina College. Kent, whose instrument is the clarinet, is the son of Mr. and Mrs. Eldon Thompson of 763 S. Ridge St. He is a student at the East Southern Pines School.
