Mrs. Patterson Wins Summer Club Tourney

Mrs. Stuart Patterson, tied for first place with Mrs. Quincy Gillmore in the weekly Sandhills Summer Club tournament Tuesday, won the prize upon matching cards. Both had plus-two in the match play against par nine hole event at the Pinehurst Country Club.

The twilight tournament scheduled for play last Thursday by Sandhills Summer Clubbers and their opposite numbers in the Morco men's golfing organization, was postponed and will be played today, Thursday.

TEERING OFF * WITH deNISSOFF

Nothing New Dept.

The latest "discotheque" craze sounds glamorous and really new—the little nightspots dedicated to dim lights, music by records, crammed by jet setters doing the latest "in" dances—the frug, the surf, the slop and the washer-woman—to our ears, the discotheque has more the sound of a revival.

How many remember when Pinehurst's Grey Fox Restaurant was just such a gathering place, during World War II when the town was, at least on weekends, jammed with service personnel from nearby bases who, with their dates, headed for the little restaurant, dimly lit, by candles, where you could dance to, or just listen to, the music of records? The outside patio too, was crowded with tables, candle-lit, the moon, when moon there was, filtered through the leaves of the tulip trees, and the mood was, generally, both romantic and exciting.

This was at the time, almost forgotten now, when the music

on records was by the Tommy Dorsey and the Glenn Miller bands, the latter, soon to become "The Band of the Training Command," when Miller changed his "civies" for a uniform and the double bars of a captain and was for a short time stationed with the men of his orchestra at the USAF Air-Ground School at what is now St. Joseph's Hospital in Knollwood.

Jet Setters

Speaking of "jet setters," we noticed in a recent UPI item that Actor Peter Lawford and his wife, Pat, sister of the late President Kennedy, who have bought Mrs. Marshall Field's III's 14-room duplex apartment at 990 Fifth Avenue, will have as neighbors when they move in the fall, the Edwin H. Herzogs.

The former Louise Heim and her husband, Edwin Herzog, were Pinehurst cottagers, owners of the house now owned by Mr. and Mrs. William C. Harris on Shaw Road.

MR. CLAXTON

IN BELGIUM

A. J. Claxton To Supervise Dairy Processing Plants

Leaving August 1 for Brussels, Belgium, where they will spend the next year, are Mr. and Mrs. Alvie J. Claxton, who own a home in Pinehurst and have been year-round residents here for some time.

Reason for the move—Mr. Claxton, a director of Beatrice Foods Company of Chicago, will be general supervisor of four new dairy processing plants the company has recently purchased in Belgium.

A director of the Milk Industry Foundation since 1958, Mr. Claxton was elected MIF president in 1963. He is a director also of the International Association of Ice Cream Manufacturers, president of the Dairy Society International, and president of the Dairy Remembrance Fund. In 1963, he was elected to the board of directors of the Chamber of Commerce of the United States.

He is the author of several books on salesmanship and in civic affairs, has been active in hospital work, Rotary Club, YMCA and Salvation Army affairs. He has been a delegate to the World Council of Churches, vice president of the Methodist Church Union and a member of the Pennsylvania Wild Life Society.

In Pinehurst, where they moved from Pittsburgh, Pa., both Mr. and Mrs. Claxton are members of the Pinehurst Country Club; he is a member of the Tin Whistles Club and she, of the Silver Foils.

Elected last spring to serve his third successive term as country club president, Mr. Claxton said this week that Donald D. Cook will act as chairman of the board meetings held during his absence.

The couple belongs to the Southern Pines Methodist Church and both are members of the Moore County Wildlife Club. Mr. Claxton also serves on the Pinehurst Village Council.

20TH ANNIVERSARY

Twenty years ago—on June 22, 1944—the "GI Bill" was signed into law by the late President Franklin D. Roosevelt. It had passed the 78th Congress without a dissenting vote. The 20th anniversary of that date was observed by veterans everywhere, according to J.D. DeRamus, manager of the North Carolina Veterans Administration Regional Office, Winston-Salem.
