County Fair Will Open At Carthage With Many Events

The 1964 Moore County Agricultural Fair will open next Monday, September 28, and run through Saturday night, October 3, offering six days and nights of exhibits and entertainment.

This year's fair comes approximately one month earlier than in the past few years, it's pointed out by the Carthage Jaycees, the sponsors. They feel that with the earlier opening, more and better exhibits will be entered in the fair and more people will turn out because of the warmer weather, making it one of the largest fairs ever held in Moore County.

The program for the week follows:

Monday, Sept. 28, opening day.
Tuesday, Sept. 29, Grand Opening day; 9 am, Moore County Junior Cattle and Dairy Show. Gates open at 12 noon, all white children admitted free until 6 pm. A free bicycle will be given to a lucky ticket holder. Tuesday night, Home Demonstration Cake Auction.

JAMES GILMORE

Democrats Hear Candidates Urge Campaign Action

The national ticket was given its full share of praise, along with that of State and county, by Democratic speakers addressing a gathering of some 50 persons at a party rally Tuesday night at Vass.

Dr. "Bill" James of Hamlet, physician and state senator challenging Republican Rep. Charles R. Jonas for the Eighth District Congressional seat, paid tribute to the Democratic party, from the top down, in furthering his cause. This is the party of progress and of positive action, he said, cataloguing his opponent's long list of "No" votes on issues he termed "vital to the people."

Voit Gilmore of Southern Pines, unopposed Democratic nominee for the State Senate from the 18th District, urged action, informing the audience that political success has to be won "from the precinct up." He saw the November threat as "very real and crucial to every voter."

MARY MARGARET HEIT

Miss Heit Starts Service In Peru With Peace Corps

Miss Mary Margaret Heit, 22-year-old daughter of Mr. and Mrs. Lawrence Heit of Midland Road, is entering Peace Corps service in Peru this month.

After graduating from Purdue University in June, with a B. A. degree, Miss Heit entered training at San Diego State College in California, for a Peace Corps urban community development project in Peru. She is one of 60 who completed the course September 12.

After a 10-day visit at home here, she has flown to Lima for final assignment.

Mr. and Mrs. Heit came here this year from Hamilton, Ohio, after Mr. Heit's retirement as an engineer with the Pillsbury Co. They are occupying a new home they built on Midland Road, adjoining the WEEB radio station property. The Heits have four other grown children.

Nello L. Teer of Durham, president of the Council.

The tract lies several miles west of Carthage and northeast of West End, within a general area bounded by Highways 211, 27 and 705.

The decision was reached Monday night at a meeting of the Executive Board of the Council, in Raleigh. It was the result of a study for more than a year by The Camp Planning Committee headed by Bonner Thomason of Fayetteville.

Moore County members of that committee were Lynn Martin of Eagle Springs and David Drexel and Lamont Brown of Southern Pines. They were assisted in presenting expert information on the camp site by Willard Keller, Soil Conservation engineer, and Atwood Whitman, forester with Atlantic States Forestry Company.

Most of the land selected for the camp is owned at the present time by Mr. and Mrs. Paul Russell of Star. Another part to be included, however, is owned by Mr. and Mrs. June Brown of Robbins.

Options have been secured by Oconeechee Council to purchase the land, and it is expected that a capital fund campaign will soon be started by the Council to raise sufficient money to buy the land and equip the camp.

Oconeechee Council is a Boy Scout administrative unit of about 12 counties, including Moore, with headquarters at Raleigh.

Boy Scout Fund Drive Launched; Workers Named

The Sandhills District of the Boy Scouts is launching its annual fund drive, Edward T. Taws, Jr., district chairman, announced this week.

The Sandhills District includes the "lower" portion of Moore County—in and around Southern Pines, Aberdeen, Pinebluff, Addor, Manly, Niagara and Whispering Pines—and also a portion of Hoke County that includes the Ashley Heights and McCain communities.

Heading the district-wide drive are Mr. Taws and J. Kimball Watson of Southern Pines. Mr. Watson is also community chairman for Southern Pines.

The remaining ("upper") part of Moore County is in the Yadkin Trail District which conducts a separate fund campaign.

Mr. Taws said that the Sandhills District fund drive has a goal of \$9,985.

A professional Boy Scout executive is normally assigned to the Sandhills District (another executive serves the Yadkin Trail District), to work with the many volunteer leaders in promoting and organizing the Boy Scout program. Since the recent resignation of Richard Muse, the district has been without an executive, but Roy McCollum of Fayetteville, field director of Scouting for the Oconeechee Council—of which the district is a part—has been carrying on the executive duties until another professional is appointed. It is expected that the post will be filled soon.

Following are other key personnel in the community fund-raising campaign:
