Governor Sanford's Visit
Governor and Mrs. Terry Sanford and Mr. and Mrs. Clint Newton of Shelby, were recent guests at Whispering Pines Country Club for a little relaxation and exercise on the golf course.

The foursome visited the Sandhills for a long weekend and were guests at a private home near Pinehurst.

Other guests of Governor and Mrs. Sanford included the Governor of West Virginia and his wife, who left earlier in the weekend due to President Johnson's visit to their home state. Also in the party was the former Governor of Kentucky, who was called back to his home on Sunday because weather conditions were expected to be unsuitable for flying on Monday. (It was a beautiful day after all!)

Need, Accomplishments

To show the Sandhills District's needs in the Boy Scouting field and to inform the public of the district's growth and accomplishments, Mr. Taws made the following report available:

"Scouting in Moore County has seen a wonderful growth in the swelling of the ranks of Scouting with boys in Moore County in 1957, we had 39 Scout Units serving 763 boys. We closed the year of 1963 with 107 units serving 2,020 boys.

"Prior to December 31, 1962, Moore County was organized into one Scouting District, Moore District. Because of the tremendous growth in Scouting in Moore County over the past several years, it became necessary to divide Moore District (Moore County) into two separate Scouting Districts, Sandhills and Yadkin Trail.

"We in the Sandhills District are very proud of our 13 Cub Packs, 21 Scout Troops, and 14 Explorer Units serving Cubs, Scouts, Explorers (a total of 1,400 boys and adults) through 35 sponsoring institutions with the Scouting Program.

"Since the organization of the Sandhills District, our District Scouting membership has increased by over 30% and our units have increased by over 90%. Since 1956, our Boy Membership has grown from 234 to 1,090 and the number of units from 16 to 48. A County survey last spring resulted in 1,000 boys would like to join now. The survey gave us 33 potential church sponsors besides the civic clubs and other organizations.

"A professional with the Boy Scouts of America works full time with institutions and Scouters in giving the Scout Program to the youth of today who will be the leaders of tomorrow.

"The following services are made possible by the wonderful support given by the people of the Sandhills District:

"1. Units participated in Council and District Camporees learning Scout skills.

"2. Professional assistance is provided to all Cub Packs, Scout Troops, and Explorer Units in organization, program literature, records, training and activities.

"3. Camping facilities are available year-around for the use of every Pack, Troop, or Post as it may be needed for program enrichment which the unit cannot furnish itself. These facilities include Camp Durant (250 acres) and 600 acres on the Kerr Reservoir. A quarter of a million dollars worth of camping facilities are available to our boys and units in their program. Two council camps operate on a long term basis for the troops to use

in the summer months.

"4. Scouts go to Philmont Scout Ranch in New Mexico, participate in the Goodwill Trip to Canada, and learn Scouting skills on the local Smoky Mountain Expeditions.

"5. Activities such as Boy Scout Week, Pinewood Derbies, train rides, Field Day, Swim-O-Rees, parades, Blue and Gold Dinners, Fireside Chats, training courses, and Round-up events are either being held later this year, or have already happened in 1964. These and many others on a Council level help the unit leader to train our boys.

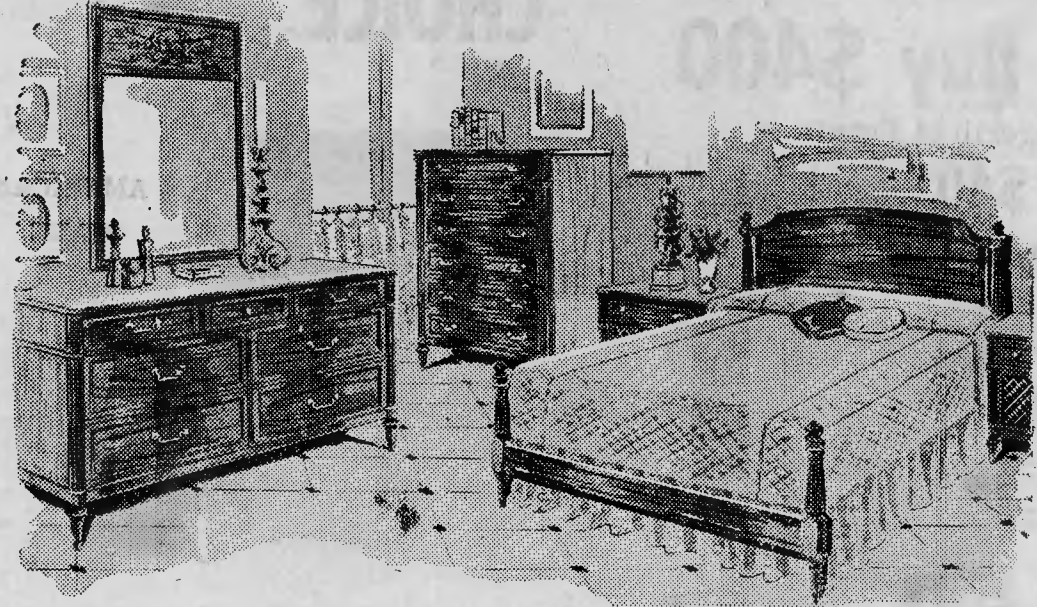

"Our goal is to make available a quality Scouting Program to the increasing number of boys becoming available each year. To meet this challenge, we must be able to make available the funds

necessary to keep pace with the need in our growing community.

"For the character-building and citizenship-training program of Scouting in Moore County, the Sandhills District needs to furnish \$9,985 for the 1965 Budget year.
