

Our Constitution saved the Country after the Revolution. It has safely guided us through every crisis of war and depression. It will continue to protect us as long as the people uphold it.

Intramural Sports
Our intramural program has begun again this year and includes, so far, tag football and volleyball. Everyone seems to enjoy these games and many participate. Each homeroom has a team and the homerooms play against each other.

Last week in tag football Mr. Utley's room defeated Miss Liles's room. The day before Mr. Cleary's room defeated Mrs. Kearney's room.

In volleyball, Miss Liles's room defeated Mr. Utley's room and the day before Mr. Cleary's room defeated Mrs. Kearney's room. Later in the year, the following sports will be played in the intramural program: mixed volleyball (boys and girls), softball, basketball, ping-pong, shuffleboard, checkers and chess.

To Play Union Pines
The next game will be played at home, against Union Pines. This, no doubt, will be one of our tougher games too, but knowing the reputation of our "Red Devils," that shouldn't be anything to worry about. We encourage the support of our team at this game. We hope you will attend!

In order to get our "Red Devils" in high spirits before their game with Littlefield, we had a pep rally in the gym Friday afternoon. The boys showed their appreciation that night by stomping Littlefield, 55-0.

Magazine Drive
The Junior and Senior magazine drive continued this week collecting a total of \$691.42. The campaign will end this Friday.

CP&L Bills To Be Sent In Envelopes

Carolina Power & Light Company customers in the two Carolinas will note a new look in their October electric bills.

For the first time in 15 years, CP&L's electric bills are being mailed in envelopes rather than as open postcards.

R. B. Carpenter, treasurer of the utility, explained that the change in mailing procedure was being made in preparation for electronic computer billing, which virtually dictates the use of envelopes.

Turning Point

This week marks the turning point of the first grading period of the new school year. Report cards are just three weeks away and everyone has become aware of that fact. Students are buckling down a little harder and teachers are becoming more observant. Tests are more frequent, too. All realize the importance of those first grades. "Well begun is half-done."

JV Cheerleaders

The new Junior Varsity cheerleaders were chosen last Friday by Coach Trentini and several of the Junior High faculty. Girls from grades 7 through 9 tried out for the positions and nine were selected.

They are: Patsy Talbert, Brenda Stevenson, Becky Martin, Fonda Fortner, Kay Honeycutt, Sandra Blue, Judy Steed, Brenda Revell (alternate) and Diane Smith (alternate).

These girls will cheer at their first game today (Thursday) when the Junior Varsity football team plays Sanford at 6 pm.

Pep Rally & Game

There will be a pep rally tonight (Thursday) at Memorial Field starting at 7:30 pm. The Blue Knights will play host to Red Springs tomorrow night (Friday). Game time is 8 pm. Let's see all you Blue Knights supporters out there cheering to keep these boys winning!

Annual Sale

This is to remind everyone that the Annual will go on sale in advance, next week, October 5 through 9. The price next week will be \$4. An annual bought any time after then will cost \$5. This will be a "Lance" you can't afford to miss!

Rapid Reading Course Scheduled At Aberdeen

A rapid reading course will begin Tuesday evening at the Aberdeen school, to continue on Tuesdays and Thursdays, from 7 to 9 pm, for seven weeks. It is open to the public, for a fee.

Conducting the course will be Dr. Veal McBride, and assistants, from Methodist College, Fayetteville. A similar course was given here earlier this year.

Marine Corps Offers New Enlistment Plan

Young men wishing to join the military now, but remain at home throughout the coming holiday season, may now do so, according to Sgt. John Ryan, Marine Corps recruiter who serves this area.

A young man enlisting today can choose to leave for recruit training within four months after his enlistment, he said.

Such an enlistment plan does not alter the many advantages for on-the-job specialist skills offered every man as a US Marine, he noted.

Full details can be obtained from the Marine Corps Recruiting Sub-station, Room 219, Grace Pittman Building, Hay St., Fayetteville.

WHY WE CARRY GANT

There's more than fabric superiority in Gant. In addition, "needled-into the warp and woof of every Gant shirt" — there's flair-fit show — three vital in-herents that make all the difference when a man wears a Gant.

We chose Gant because they take shirt making seriously. They're hard to please (like we are) when it comes to fit of collar, its roll, its profile—how much it shows above the suit collar. They're fastidious about the way the body of the shirt drapes and folds. All must integrate to achieve that viable ingredient which gives comfort and aplomb. In substance, Gant shirts are keyed to the discerning tastes of well groomed men who appreciate quality. These men are our customers.
