TO FACE ELLERBE FRIDAY

**Blue Knights Nip
Red Springs, 7-6**

By JOHN McLAUGHLIN
Coach Tony Trentini's Southern Pines High School Blue Knights nipped the Red Springs High School Red Devils on Friday, October 2, by the score of 7-6. This was the Knights' fourth straight victory.

After losing the toss of the coin, Southern Pines' Tommy West kicked off. The kick was returned by Red Springs' Jim Hasty to their own 36-yard line. Two plays later, the Red Springs tailback, Billy Stone raced off tackle for a 57-yard touchdown. The extra point attempt, a kick, was partially blocked. This single point later spelled defeat for Red Springs.

The Knights then adjusted to Red Springs' single wing offense and trailed at halftime by the score of 6-0.

Late in the third period, the Knights' Peter Pezzi recovered a fumble on the visitors' 17-yard line to give the Knights possession of the ball. Three plays later, Pezzi scored from 10 yards out. On the crucial extra point play, Quarterback Ricky Johnson rolled out to his left, and, with the help of excellent blocking by his teammate, scored.

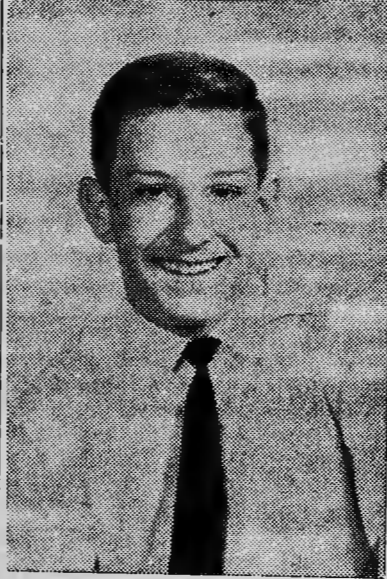

In the fourth period, the Knights put on two goal-line stands and held on for the victory.

Coaches Tony Trentini and Larry Addleton were extremely pleased with the victory. Coach Trentini feels that the local squad found itself in the second half and proved that they are capable of playing excellent football.

On Friday, October 9, the Knights remain at home for another conference battle with Ellerbe High School. Ellerbe, who last year defeated the Knights, beat Greenwood High School this past week by the score of 28-0. This promises to be an excellent game, and a large number of local fans are expected.

**PLAYER OF
THE WEEK**

SCOTT GUTIERREZ

Coaches Tony Trentini and Larry Addleton have chosen Scott Gutierrez, a defensive specialist, as player of the week for his fine performance against Red Springs.

Scott, a junior at the local high school, moved here recently with his family from Albany, Ga. He is the son of Mr. and Mrs. S. M. Gutierrez.

Scott is a member of the First Baptist Church. His subjects for the present school year include Algebra, Public Speaking, English III, World History, and Spanish I.

Award Winner

A movie co-production by Dr. Landie Bennett of North Carolina State has won first place in national competition sponsored by the Farm Film Foundation.

The movie, "One Ocean Away," was shot on the 1963 Agribusiness Caravan to the Common Market. It is used to show farm, business and civic groups some of the ideas the caravaners gathered on the trip.

Similar caravans are sponsored annually by the Wachovia Bank and Trust Company in cooperation with North Carolina State and the North Carolina Department of Agriculture.

Dr. Bennett, who heads North Carolina State's Visual Aids Department, is sharing the first-place prize of a silver cup and \$500 to be used for self-improvement, with Lewis Riley of Clemson University, co-producer of the film.

Dr. Bennett is a native of the Jackson Springs community and was graduated from the Jackson Springs High School.
