STONEBROOK MEETING — APRIL 10

Hunt Racing Group Elects Officers, Sets Dates For Events During '65

F. Eugene Dixon, Jr., of Philadelphia, was elected president of the National Steeplechase and Hunt Association recently at the Annual Meeting of the group. He becomes the seventh person to head the Association since its inception in 1895 and succeeds John W. Hanes.

Dixon has been active in national racing affairs for some time and has served as vice-president of the Association since 1963.

The Association also elected James P. Mills of Middleburg, Va., as vice-president and Lewis C. Murdock of Peapack, N. J. as treasurer. Re-elected were S. Bryce Wing as honorary chairman; A. C. Bostwick, secretary; John E. Cooper, executive secretary; and Olive R. Keeley, Assistant secretary.

The rotation policy of the Association resulted in the election of four new stewards, Philip F. N. Fanning, Lewis C. Ledyard, Randolph D. Rouse and Charles W. Stitzer who is a former winter resident of the Sandhills and is well known in racing and hunting circles in this area.

Dixon expressed an optimistic view for 1965 and sees it as another

excellent year for steeplechasing at the major tracks and hunt meetings.

Earlier in the day, the Hunts Committee elected Austin A. Brown of Camden, S. C., as chairman, succeeding Newell J. Ward, Jr. Brown, a former amateur rider, has served as an area representative on the Hunts Committee for several years.

The Hunts Committee also approved racing dates for the year. The 1965 schedule in general follows the pattern of previous years with some notable exceptions.

The season opens one week earlier than usual. The Block House Races at Tryon, usually run in early April, will start the season on March 20, followed by the Carolina Cup at Camden, S. C., on March 27 the Deep Run Hunt race Association program at Richmond, Va., April 3, and the Stonybrook meeting here, April 10.

The Tanglewood meeting at Clemmons, N. C. will be missing from the Spring agenda this year due to certain legal problems. The race meeting was established in 1963 and quickly became a popular addition to Hunt Racing in the Carolinas, and is expected to be renewed in 1966.

Eleven other hunt race meetings are scheduled for the Spring, through May 22. Like all the above dates, they are scheduled on Saturdays.

Major track steeplechasing will begin at Aqueduct May 3 and continue through the middle of June when jumping will start at Delaware Park.

Further dates were announced for major track steeplechasing in the late Summer and Fall and for a Fall series of hunt race meetings.
