Fire District
The Volunteer Fire Department was called out three times during January. The frame and

roof of the Dunlap house was saved and the two brush fires were brought under control before any damage was done. The Emergency Wagon, called three times, is also operated by the fire department. Ray Molsinger was taken to Moore Memorial Hospital Thursday night.

On Wednesday, Mary Ann Lewis was taken to Moore Memorial Hospital following a stroke. Mary Ann is one of West End's oldest and most beloved women, having worked in most of the homes in the community during her long years of service.

This report to the people is to let them know the small increase in tax evaluation in the West End Fire District repays its citizens in many ways.
