When his friend came into the responsibilities and perplexities of the Presidency it was with their traditional tactics, most natural that he should they s vept down the hillside turn to him for the advice and wit i design of rushing our flank assistance which he more than But the withering fire mainever needed; and when loyalty to country was combined with loyalty to friendship in the appeal, it was inevitable that Mr. the concentrated a few attack of the city of Wilmington is also a stable and deputies and frest the stable and deputies and frest the stable and deputies and frest the city of Wilmington is also a stable that the high the concentrated a few attack of the city of Wilmington is also a stable that the high the concentrated a few attack of the city of Wilmington is also a stable that the high the concentrated a few attack of the city of Wilmington is also a stable that the high the concentrated a few attack of the city of Wilmington is also a stable that the high the city of Wilmington is also a stable that the high the city of Wilmington is also a stable that the high the city of Wilmington is also a stable that the high that the high the city of Wilmington is also a stable that the high that the high that the high that the city of Wilmington is also a stable that the high that the high that the high that the city of Wilmington is also a stable that the high that the high that the high that the city of Wilmington is also a stable that the high t

Day would respond. Outside of the Ohio circle, who Judge Day, which is now his lets from the Cameron Highlandset the example of calling him popular title in Washington as ers, the Lincolnshire Regiment negro. it is in Canton, tew public men had even so much as heard of literally swept away, leading to him when they were suddenly called upon to know him thoroughly body, whose dead strewed the oughly, because, like the diplo mats and newspaper men, they SUPREME EFFORT OF THE ENEMY had a business necessity for it. It was only by degrees that any stranger got to know him, and to this day he probably has no intimate friends except those he had when he first came to the State Department; but at the beginning he seemed almost inscrutable to most of his callers. They could see that he was rather above the average height, thin, with a scholar's face and the old fashioned scholar's shoulder's, light complexion, fine light-blue eyes which added mass, 15,000 strong, bore cown -F. B. Arrendell in Raleigh News to the expression of power in the lines of his face when they were not covered by his eyeglasses They saw that he was well dressed because there was nothing noticeable about his clothes, in 10 minutes and before the they felt that he had a strong Dervishes could drive their athan l-shake, and they knew thut he had a low, but distinct and pleasing voice and a simple and them he looked like a gentle oldlashioned college professor rath- ering cross-fire from three brier than a man of affairs, and in gades, with the attendant artilsuch marked contrast to his strove to make headway, but stalwart and athletic predeces-every rush was stopped, while such marked contrast to his sor, Secretary Olney, that they their main body was literally could hardly credit the story, mown down by a sustained fondness for looking at the game deadly cross are. of baseball. If he had any con-siderable conversation with him they discovered that they were dealing with a singularly strong he never said too much or too little for his own purpose, that he was absolutely truthful and he was absolutely truthful and and silent man. They found that straightforward, and that he spoke with unusual clearness and cogency and candor, but above all with the mose discreet line drove the scattered remnant tinue to commission it?

reticence and perfect self-posses- of the foe into the desert, our of the foe into the desert, our limit confess that it made sion .- Review of Reviews.

Now that the war with Spain to Omdurman. has come to a close, every one vishes evoked universal admirawants to know what it has cost the United States thus far, and also what will be the probable fature expense of maintaining garrisons in our newly acquired possessions. Charles A Conant, a competent financial writer, answers these questions in the Review of Reviews for September. His timely article also deberibes the financial operations of the government for meeting these taitemone expenses:

BATTLE ON THE NILE. Angio-British Forces Crush the Dervish Army.
