### The Reporter's Revenge.

BALTIMORE, MD.

If there is one thing more than another that the fecund, fertile and tantastically fanciful reporter doesn't have any use on earth negro. for, it is the fatal blue pencil of the editor who shapes the destimes of the rising reporter. On the other and, there is nothing gaite so delightful to the editor blue pencil. With it, sitting in his easy chair and poising it al ag the lines of the enthusias ne and prolific vouth, he can harpoon lancy after fancy of the callow reporter and vank them puncture the swelling sentiment upon a subject so sad? Suffice it that the blue pencil is one of the most deadly tools known to modern journalistic literature. But the blue pencil gets a jar

On the occasion narrated in puching holes through the best piece of work the young reporter. ust appointed to the staff from sure he had ever done, and the helpless victim sat writing in the corner watching him at this in-
