#### EDITING MANUSCRIPTS.

Ludicrous Blunders Are Sometimes Made by the Most Experienced Authors.

. reader in a big publishing house, them to him, with a discreet note requesting a correction; but when a house is getting out a book in a hurry or when the author is abroad, this is often impossible, and then the situation becomes very ticklish. I remember, for instance, I was once reading the proofs of a novel by one of our bestknown and crankiest women writers. She was away on a visit to Mexico and had left strict prders to 'follow copy' to the letter. In one of her early chapters the hero was shaving himself after Representative John Allen likes a long hunting trip, and was exactly sudden arrival of the villain. A stormy F. S. ROYSTER GUANO COMPANY would never again play the barber to save anybody's reputation.

"Another writer, for whom we got out a story, made one of his characters plete statement. 'empty his revolver' at a retreating burglar, and a moment later 'sent two so well, an' i is powerful glad to bullets crashing through a window know that you'll is in your ole to show a rival how quick he was on the trigger. I called his attention to the inexhaustible pistol, and he never spoke to me afterward. In an earlier novel by the same gentleman you will find reference to the hero's 'dark, John."-W. E. Curtis in Chicago smooth-shaved face, and on the very next page he is 'twirling his mustache. I noticed it in proof, but remembered
