Thin Hair

Lots of people have thin hair. Perhaps their parents had thin hair; perhaps their children have thin hair. But this does not make it necessary for them to have thin hair.

One thing you may rely upon—

Ayer's Hair Vigor makes the hair healthy and vigorous; makes it grow thick and long. It cures dandruff also.

It always restores color to gray hair,—all the dark, rich color of early life. There is no longer need of your looking old before your time. If your hair is falling out and you are threatened with baldness, our Hair Vigor will check the falling at once.

\$1.00 a bottle. All druggists. "As a remedy for restoring color to the hair I believe Ayer's Hair Vigor has no equal. It has always given me perfect satisfaction in every way."

Mrs. A. M. STEWART, Hammondsport, N. Y.

Write the Doctor.

He will send you a book on The Hair and Scalp free, upon request. If you do not obtain all the benefits you expected from the use of the Vigor, write the Doctor about it.

Address, DR. J. C. AYER, Lowell, Mass.
