**TOWN AND COUNTY.**

Holt Hardware and Buggy Co.

Rev. Chas. A. Fetter will preach in Sanders Hall next Sunday night.

We will give a full account of the commencement exercises in our issue of next week.

A great many visitors arrived yesterday to attend Turlington Institute commencement.

Quite a large number of people from Dunn arrived yesterday to attend commencement.

The address of Dr. Geo. T. Winston will be delivered at the Institute this afternoon at 4:15 o'clock.

The next meeting of the Zigzag Club will be held with Miss Bertha Stevens next Monday evening.

Don't forget the alumni meeting this afternoon at three o'clock. James A. Wellons, Esq., will deliver the address.

The Dunn Brass Band arrived yesterday. This band has been engaged to make music at the commencement exercises to-day.

The negro, Hardy Hunter, who has had smallpox here has entirely recovered and has been discharged from care of the physician.

Mr. W. L. Woodall will in the next few weeks begin work on a twenty-foot addition to his already large store on Market street.

The Dunn and Selma teams crossed bats here yesterday on the Terlington Institute grounds. The Dunn boys were the victors, the Score standing 12 to 7.

Perhaps all our readers have heard the expression, "scarce as hen's teeth." On another page of this paper will be found the story of how Miss Hen lost her teeth.

For the benefit of all those who are interested in State Pensions we publish in full on the first page of this paper the new pension law passed by the last legislature.

The Sydnor Pump and Well Company have just completed boring a 4 1/2 inch well for the new hotel. The well is about 75 feet deep and will furnish a bounteous supply of good pure water.

Dr. John I. Hocutt, of the Emit section arrived yesterday to attend commencement. Dr. Hocutt has just returned from Durham where he has been attending the annual meeting of the State Medical Society.

The excessive rains this week have thrown the farmers badly behind with their work. General Green has gained much headway and if the weather clears off and the sun shines bright a battle royal will be waged for the next few days.

There were 104 applicants before the State Board of Medical Examiners at Durham this week. Two withdrew, 25 were refused license while 76 were successful. Among the successful ones we note two Johnston county boys: H. P. Underhill, of Selma, and John I. Hocutt, of Emit.

Another case of smallpox was discovered here last Saturday. The victim, June Holden, contracted the disease from Hardy Hunter the negro who first had it. All care and precaution have been taken and the authorities fear no spread of the disease. Nearly all the inhabitants of the town have been successfully vaccinated thus making it impossible for the disease to spread.

The contract for the new hotel has been awarded to Messrs. Rand & Stephenson. Mr. W. P. Rose, of Raleigh, is the architect. The hotel will contain 26 rooms, besides offices and sample room and three store rooms. It will be a handsome building three stories high, fronting 100 feet on Market street and 60 feet on Second street. Brick are being placed on the ground and the work is to be pushed as rapidly as possible.

There is a big freshet in Neuse river. It is now running over the embankment beyond the bridge here, and steadily rising.

Quite an interesting meeting of the Fortnightly Book Club was held Monday evening at the home of Miss Flossie Abell. The Club will meet next with Mrs. J. D. Spiers on Monday evening, June 3rd.

Capt. R. H. McGuire, the large wrapper buyer on our market, informed us Wednesday that he had finished setting out his tobacco crop (?) and now has a perfect stand. Capt. McGuire says he has been somewhat delayed owing to the lateness of the spring and the smallness of the plants but that he hopes to raise wrappers that will bring 60 cents a pound.

**Worthy of the Man and the Occasion.**

Hon. John C. Scarborough, President of Chowan Baptist Female Institute, Murfreesboro, writing to the Biblical Recorder of the College and its recent commencement, has the following to say of our townsman who delivered the literary address: The address of Hon. Edward W. Pou on "The True Aristocrat of the Twentieth Century" was worthy of the man and the occasion. The commencement was the equal of the best in the history of the Institute within the knowledge of the writer, and Mr. Pou's address was equal to the best in the commencement. The audience thoroughly enjoyed it, approved its teachings and frequently gave to the eloquent speaker's words enthusiastic applause. The young women who heard the address will be the better prepared, by hearing it, to take and hold the place given them by the speaker in the work of the Twentieth Century. May the Lord bless the young Congressman and give him a great work to do for the century and the people who are to live in it.

The burglars made a raid on our little town Monday night, breaking into the houses of Messrs. R. H. Alford, Jesse Kirby and Rev. J. W. Nobles, taking several useful utensils and silverware, a bicycle from Mr. Alford. The thief has not been found.

The Kenly Academy commencement is rapidly approaching and we are glad so much interest is taken in it. We are sure from all indications it will be a decided success and hope a large and appreciative audience will be present to enjoy the treat that is in store for them.

We witnessed a very interesting game of ball here last Saturday evening between the Lucama and Kenly Academy teams. The Lucama boys are splendid players but they forgot how to play when the "K. A." ball busters their first inning. The K. A. played boys played quick and snappy ball and the game was easily won. The game was with them from the first; they made few errors. The score stood 6 to 18 in favor of the K. A. ball busters. The busters have not lost but one game this spring.
