Of Interest to Teachers and School Committeemen.

For the convenience of teachers desiring schools and school committeemen desiring teachers we have decided to devote a column of THE HERALD, or more if necessary, for this purpose.

Any teacher desiring to teach in the public schools of Johnston county may advertise for a position without any cost. The advertisement must be short and legibly written and the advertiser must be a regular subscriber to THE HERALD.

School committeemen may also advertise for teachers, free of charge, under the same conditions.

No advertisement will be inserted free unless the advertiser is a subscriber to THE HERALD, or is a member of a family that takes THE HERALD. Others will be charged 25 cents for each week.

TOWN AND COUNTY.

—Holt Hardware and Buggy Co.—
—Read Mr. J. H. Kirkman's poem on this page.

—We hear it rumored that Smithfield is to have another bank.

—There will be a Baptist picnic at Uzzle's brickyard, near Wilson's Mills, to-morrow, (Saturday).

—Several new buildings are going up in Smithfield which shows that the town is growing steadily.

—Mr. W. M. Sanders has repainted and penciled his store front which adds much to its appearance.

—The excursion season is now on us and everybody will have an opportunity to visit the seashore at a small expense.

—Mr. and Mrs. Thomas R. Crocker have moved into the Dickens residence, recently vacated by Mr. H. Cohen's family.

—If dogs that attend church are religious then Smithfield has quite a number of very religious dogs as they are on hand at every service.

—All persons who have been building houses on the river banks and in river lowlands have learned a lesson from the recent freshets.

—Dr. H. P. Underhill, of near Selma, who graduated recently, has located at Kenly to practice medicine. See his card in another column.

—Look out for the opening chapters of "The Gunmaker of Moscow," a very interesting story which will begin in this paper next week.

—Smithfield's second nine crossed bats with Goldsboro's second nine Wednesday on the latter's grounds. The score was 11 to 9 in favor of Goldsboro.

—Mr. E. W. Pou has one of the handsomest turn-outs seen on our streets in a long time—a trap recently purchased from The Holt Hardware and Buggy Co.

—The telephone service of this place could be greatly improved. We have heard several complaints recently. A good telephone service in a town is a good thing to have, but a poor service is aggravating to say the least. We trust the management of the exchange will see that we have a better service in the future.

S. H. C.

If you are needing some Hardware,
A Saw or a Brace,
And will list to my story
I'll tell you the place.

Go to Smithfield Hardware Co.
You can't miss their store,
It is so very full
There's no room for more.

They have Tools of the best
For mechanics to use,
And nice Garden Sets for
The children to choose.

Hoes, Shovels and Rakes of the
Best grade of steel,
And Fish Hooks to catch you
A trout or an eel.

Lawn Mowers that cut like the
Edge of a Razor,
Much better for lawns than
A cayuse as grazer.

Grass Catchers to put on
Your Mowers so nice,
And chisels to break up
Your Blocks of ice.

All sizes of Locks to put
On your house,
And Traps that will catch you
A rat or a mouse.

Fine Carvers to cut up
Your turkeys and geese,
And Mops that will clean
Up the dirt and the grease.

They have Cutlery, Tinware,
And Boys' Wagons, too;
And Hose that will cover
Your lawns with dew.

They have pails for the "maiden
Who sits all forlorn
Milking the cow with
The crumpled horn."

And many nice things
Too numerous to mention;
But this is enough
To call your attention

To the place of their business
On Market Street,
The Smithfield Hardware Co.,
It can't be beat.
