Quite a large crowd, variously estimated at 2,000 to 3,000 people, witnessed the closing exercises of Professor Canaday's school.

Admon Wilkins was pounced upon and soundly thrashed Friday night by some one to him unknown. He was "full," as usual, and fails to command the sympathy of the community.

Delia Holmes, daughter of J. B. Holmes, Sr., of this place, and George Pleasant, who lives near here, were adjudged insane Wednesday by N. T. Ryals, J. P., and committed to jail. They were violent and dangerous.

J. W. Ryals has shut down his distillery and says he shall never start up any more. His observations as a juror at Federal Court has disgusted him and he sees better than he had before the wretchedness and ruin being wrought by strong drink.

Rastus Gregory, of Harnett county, tanked up Friday evening and was dispensing sulphurous oaths in town. He sobered up, though, and satisfied Mayor Ryals in time to be run out of the community by three other drunken rowdies who had no respect of persons.

The Masonic Lodge of this place will have a public installation of their officers on Thursday evening, July 4th, 8:30 p. m., with appropriate services and address. The installing officer will be announced later. At 3 o'clock p. m. the Eastern Star degree will be conferred and refreshments served to that degree. All Masons and their families cordially invited to be present and participate and the public cordially invited. Plenty of room for everybody.

J. W. Draughn, G. A. Hodges, and John Musselwhite, of Harnett county, were before Justices Surlis and Johnson Saturday, charged with breaking and entering the home of C. S. Faircloth and taking him out and beating him. They were sent to jail in default of \$1,000 bond. While in the lock-up awaiting trial they broke out and made their escape, but Policeman Holmes, assisted by several citizens, chased them down and brought them back. Tangle-leg undoubtedly impeded their progress.

**RUSTY ANKLE ITEMS.**

MR. EDITOR:  
SIR:—As we have not yet been represented in your paper, please allow us a short space for which we will return thanks.  
We are very sorry that Mr. Wilkins could not fill his appointment at Pleasant Plain church last Sunday. We are sorry that the grass has taken possession of his crop so that he can't go to preach. We were glad to see so many out to hear him. We were glad to see Mr. T. J. Batten, of Micro, and Miss Effie Mazingo, of near Carter's Chapel, up to hear the able sermon which Brother Wilkins always delivers. We think Mr. Batten can report another very pleasant call.  
Mr. T. J. Batten carried a bunch of grass to the city of Micro last week that measured 39 inches across. He said he got it out of his tobacco patch. We think that if he don't stop calling so much that the seed will mature and come again before the fall.  
Mr. C. F. Broadwell saw a wild cat in Little creek last Thursday evening near Mr. Iredell Batten's house. He has been seen by two or three others near the same place.  
The people were glad to see Mr. N. E. Edgerton out at the Kirby school house last Sunday evening to help Mr. George Vick conduct Sunday School there.  
Crops are looking prosperous in our section, tobacco especially.  
Mr. Charles Castleberry and Miss Nannie Smith, of Archer, spent Saturday night and Sunday at Mr. W. M. Pittman's. The young people of that community were very glad to see them.

Mr. and Mrs. M. C. Winston and Miss Nannie Richardson are attending the Teachers' Assembly at Wrightsville this week.  
Our boys went to Kenly to play ball Tuesday. They say they don't see why they lost the game. They say they should have won.

Messrs. Robert Millard Nowell and Clarence W. Richardson went to Kenly Wednesday to see a game of ball. There must have been some other attraction for Robert Millard besides the ball game.

We want all of Johnston county's farmers to read this. You know that Selma always gives the highest prices for your cotton and other produce. Well, now our people want you to bring your tobacco here. Last Monday our people decided that as the farmers would bring their cotton here that we would build a couple of tobacco warehouses and then they could bring their tobacco here as well. In a few hours twenty-five hundred dollars were raised to build them. The subscribers to the stock met Monday night and elected John H. Parker President, J. A. Spiers, Jr., Secretary and Treasurer, and John H. Parker, M. C. Winston, R. B. Whitley, N. E. Edgerton, and Y. D. Vinson as the Board of Directors. We will have our first sale on Thursday, August 1st, and we want you all to be here with your tobacco. There will be several first-class buyers here and your tobacco will bring its full value.

**Young Women**

The entry into womanhood is a critical time for a girl. Little menstrual disorders started at that time soon grow into fatal complications. That female troubles are filling graveyards proves this. Wine of Cardui establishes a painless and natural menstrual flow. When once this important function is started right, a healthy life will usually follow. Many women, young and old, owe their lives to Wine of Cardui. There is nothing like it to give women freedom from pain and to fit young women for every duty of life. \$1.00 bottles at druggists.

Miss Della M. Strayer, Tully, Kan. "I have suffered untold pain at menstrual periods for a long time, was nervous, had no appetite, and lost interest in everything, in fact was miserable. I have taken four bottles of Wine of Cardui, with Theodor's Black-Draught, when needed, and to-day I am entirely cured. I cannot express the thanks I feel for what you have done for me."
