**TOWN AND COUNTY.**

—"The H. H. & B. Co."  
 -The Smithfield Hardware Co.  
 -J. H. Kirkman, Fire Insurance, Smithfield, N. C.  
 -Prof. Turlington and family are spending a few days with relatives in the Benson section.  
 -The Smithfield tobaccoists are liberal users of printer's ink this week. Read there whole page ad on eighth page of this paper.  
 -Mr. John W. Jones informs us that there will be a basket picnic in the grove at Pisgah Baptist church on Saturday, August 3rd.  
 -The Burns and Fuller Excursion to Norfolk, Washington and Baltimore, which has been advertised for August 14th, will run August 13th instead.  
 -Among the Preparatory schools of North Carolina none stands higher than Horner Military School at Oxford. Seed ad. of this school on third page.  
 -Mrs. Anna M. Pou and daughter, Miss Mattie, and Miss Martha Smith, left Tuesday for Farmville, Va. After spending a few days there they will spend several weeks in the mountains.  
 -The Smithfield Chamber of Commerce will meet in the Court House to-night at 8:30 o'clock. All those who are interested in the upbuilding of the town are earnestly requested to be present.  
 -Wednesday was the hottest day of the season up to that time. Yesterday was hotter, and if Dr. von Herrman, the weather man at Raleigh knows what he is talking about, this afternoon and tomorrow afternoon will be hottest. We hope the "Dr." is "off" just a little.  
 -In order to enliven business our advertisers have claimed a great deal of our space this week. In addition to the whole page ad of the Smithfield tobacco men, the large new ads of Grantham, Austin & Co., Hood Bros. and W. H. Peacock, appear in our columns this week. Wide awake business men believe in advertising.  
 -Some months ago through some cause the post office at Elevation was discontinued. This brought about a great inconvenience to the people of that section. We are glad to state, that through the efforts of our esteemed countyman, Congressman E. W. Pou, the post office at Elevation has been re-established, with Mr. Louis E. Stancil, postmaster.  
 -It has been a bad week for Smithfield from a baseball standpoint. Tuesday afternoon Selma's team came over and gave our team more than they could handle—the score standing 13 to 7 in favor of the visitors. Wednesday our Juniors went over and played Selma's Juniors—our boys getting defeated again. In Tuesday's game our boys were out-matched, as several of our regular team could not play. We are hoping to give them a better game next week. Perhaps it will be our time to laugh yet.  
**Death at Four Oaks.**  
 Mr. Charles R. Adams died last week at his home in Four Oaks. He had been in poor health for some time. He was a son of Mr. D. W. Adams and for the past several years a merchant, being a member of the firm of C. R. Adams & Co. He was a member of Four Oaks Methodist church. THE HERALD joins his large number of friends in sympathy for the bereaved.  
 One day last week a group stood watching a sign painter tracing the letters "H. H. & B. Co." on the window of one of our most enterprising firms. One of the group said, "What do these letters stand for?" Another replied, "Why, HURRY HERE and BUY CLOSE."  
 Fuller & Burns' Excursion leaves here August 13th, returning 16th. They have secured special rates to Washington, D. C., and Baltimore.
