TOWN AND COUNTY.

—"The H. H. & B. Co."

—The Smithfield Hardware Co.

—J. H. Kirkman, Fire Insurance, Smithfield, N. C.

—In the month of July the Register of Deeds issued fifteen marriage licenses—eight white and seven colored.

—Mr. E. W. Pou made a trip to Washington this week in the interest of new postoffices and rural free delivery in his district.

—Rev. J. W. Suttle went to Benson Monday where he is engaged in holding a series of meetings at the Baptist church.

—The County Commissioners at their session Monday awarded the scholarship given by Kenly Academy to this county, to Miss Ruth Jones.

—Mr. J. A. Stephenson, of Atfa, was in to see us Monday and renewed his subscription. He says he has one of the finest fields of cotton in Pleasant Grove township.

—The County Commissioners met in regular session Monday. No important business other than the regular routine of allowing accounts, etc., was transacted. The Finance Committee will meet August 31st to settle with the Treasurer.

—Rev. J. J. Harper, assisted by Rev. J. D. Waters, of Washington, N. C., is holding a series of meetings at Wilson's Mills Christian church. Morning service at 11 o'clock, evening service at 8 o'clock. The public cordially invited to attend.

—Mr. P. G. Smith, of Cleveland township, Johnston county, was here Monday to see the Commissioner of Agriculture regarding a peculiar disease that has caused the death of several cows in Johnston. He thinks it the result of eating poisonous weeds.—Raleigh Times.

—Owing to the very rainy weather this week tobacco sales have not been as large as they otherwise would have been. The sales yesterday were large and the prices good. The farmers who sell here go away well pleased. There is no better market in this section of the State than Smithfield.

—Mr. J. E. Edgerton, who spent the past three years at Vanderbilt University at Nashville, Tenn., was here yesterday representing the Northwestern Library Association of Chicago. Mr. Edgerton will soon return to Nashville where he will complete his course, graduating with A. B. next year.

—The Chamber of Commerce has been called to meet to-night in the Court House. It is hoped that the representative business men of the town will be present. Those of our citizens who are interested in our town's welfare should lend a hand and make the Chamber of Commerce a power for Smithfield's progress. Other towns have been greatly helped by commercial organization, and why not our town?

—The people of Elevation township have honored our townsman, Congressman E. W. Pou, by naming a post office after him. The new post office is a few miles above Spilona and will be called Pou. Mr. Wm. R. Coats is postmaster. Those of our subscribers who want their mail changed to Pou will please notify us. We suppose the office will be opened in a short while as the post office department has already ordered its establishment.

—Smithfield's second nine went down to Dunn last Thursday to play Dunn's second nine. They played two games, one Thursday afternoon and one Friday morning. The Thursday's game was won by our boys, the score standing 14 to 12. Friday morning's game was a very good game up till near the end when so many people rushed on the diamond that our team refused to play. So the game was forfeited to Dunn. Howard Radford and Albert Noble both did fine work in the box.
