## WAR! WAR! WAR!

Our nation as well as other nations have for some time past been pursuing a course of war, but R. F. SMITH is engaged in a war that is not any less important to his fellow man, and that is to teach them that they cannot do a more dutiful thing than to

Furnish their bed rooms with nice Beds, Bureaus, etc., their parlors with nice Rugs, Parlor Suits, Organs and Pictures.

It makes our homes brighter; it puts a cheerful smile on every child's face in the home and not only the children but the husband and wife.

Again what is of more use around a home than a good BICYCLE for the boys and girls to attend the errands. What would please your girl any more than to give her a nice ORGAN so that she may spend her happy hours playing sweet hymns for the family.

**PICTURES AND FRAMES.**

How could you do a better thing than to have the pictures of some loved one enlarged and framed. COFFINS. And last, but not at all the least, what becometh us better than to show respect to our loved ones when they have passed away, by giving them a nice, decent burial.

Now these problems I ask you to consider and give me a trial. Watch this space.

Yours earnestly but honestly,

**R. F. SMITH,**

### Twice Married to the Same Man.

Yes, twice wedded have been Mr. and Mrs. Marion Dupree.

Many years ago Mr. Dupree, of Falkland, and Miss Addie May, of Farmville, were married. After a season happiness fled, and there was a separation. A few years and there was a legal separation. Later another appeared upon the scene and she became his bride. There was a sojourn in another State, then a return home. Separation again followed and in due course of time the law burst their bonds and she was again free.

This time Mr. Dupree again appeared upon the scene. The troubles of long ago were forgotten. Again he was a lover and she was not averse to his suit. The consummation was their marriage Tuesday in Greene County.—King's Weekly.

### A Night of Terror.

"Awful anxiety was felt for the widow of the brave General Burnham, of Machias, Me., when the doctors said she would die from Pneumonia before morning" writes Mrs. S. H. Lincoln, who attended her that fearful night, but she begged for Dr. King's New Discovery, which had more than once saved her life, and cured her of Consumption. After taking, she slept all night. Further use entirely cured her." This marvellous medicine is guaranteed to cure all throat, chest and lung diseases. Only 50c. and \$1.00. Trial bottles free at Hood Bros. drug store.

Charlotte Cipriani, a graduate of the University of Chicago, is the first woman to receive the degree of doctor of letters from the University of Paris.

Thomas G. Shaughnessy, who succeeded Sir William Van Horne as president of the Canadian Pacific railway system, entered the service of that road as a general store-keeper as lately as 1882.

Géo. W. Lane, Pawamo, Mich., writes: "Your Kodol Dyspepsia Cure is the best remedy for indigestion and stomach trouble that I ever used. For years I suffered from dyspepsia, at times compelling me to stay in bed and causing me untold agony. I am completely cured by Kodol Dyspepsia Cure. In recommending it to friends who suffer from indigestion I always offer to pay for it if it fails. Thus far I have never paid." Hood Bros., Hare & Son, J. R. Ledbetter.

### LAND FOR SALE!

I offer for sale one hundred and twenty-nine (129) acres of land in Smithfield township, adjoining the lands of Booth Barber and others. Fifty acres cleared, balance in woods land. There is good pasture land on the place; also good dwelling with 6 rooms; tenant house, two barns and stables. This land is two miles north of Smithfield. Will sell for part cash, balance on time. I also have a good cow with young calf I will sell. D. T. LUNCHEFORD, Smithfield, N. C.

The man with but one idea in his head is sure to exaggerate that to top-heaviness, and thus he loses his equilibrium.—A. Hill.

"Do you suppose," demanded her father, angrily, "that I will permit my daughter to stoop to your level?" "O! no," replied the girl's suitor, "we're counting on your money to lift me to her level."—Ex.

## Oil for the Children.

Give them oil—cod-liver oil. It's curious to see the result.

Give it to the peevish, fretful child, and he laughs. Give it to the pale, anæmic child, and his face becomes rosy and full of health. Take a flat-chested child, or a child that has stopped growing, give him the oil, and he will grow big and strong like the rest.

This is not a new scheme. It has been done for years. Of course you must use the right oil. Scott's Emulsion is the one.

Scott's Emulsion neither looks nor tastes like oil because we are so careful in making it pleasant to take.

### DEATH TO ANARCHY.

Assassins Cannot Reform Governments, Declares Bryan.

Buffalo, N. Y., Sept. 9.—William J. Bryan today telegraphed the Times as follows:

"Free governments may be overthrown but they cannot be reformed by those who violate the commandments: 'Thou shalt not kill.' Under a Government like ours every wrong can be remedied by laws and the laws are in the hands of the people themselves. Anarchy can neither be excused nor tolerated here. The man who proposes to right a public wrong by taking the life of a human being makes himself an outlaw and cannot consistently appeal to the protection of the Government which he repudiates. He invites a return to a state of barbarism in which each one must at his own risk defend his own wrongs. The punishment administered to the would-be assassin and to his co-conspirators, if he has any, should be such as to warn all inclined to anarchy that while this is an asylum for those who love liberty, it is an inhospitable place for those who raise their hands against all forms of government."

(Signed) "W. J. BRYAN."

Many physicians are now prescribing Kodol Dyspepsia Cure regularly having found that it is the best prescription they can write because it is the one preparation which contains the elements necessary to digest not only some kinds of food but all kind and it therefore cures indigestion and dyspepsia no matter what its cause. J. R. Ledbetter, Hare & Son, Hood Bros.

### A Discovery.

Mr. James R. Coleman, a native of Pittsylvania county, Virginia, was afflicted with indigestion for twelve years; he could eat no solid foods without great agony, and could not sleep at night. He was treated by eminent physicians who pronounced his case hopeless. As a last resort he began the use of a preparation of his own as an experiment and found relief at once; in six weeks' time he was able to resume his farm work, a cured man. This was six years ago and he has had no return of the symptoms up to this time.

Mr. Coleman called the remedy "Coleman's Guarantee," and the results from its use among his friends were so marvelous that The Coleman Remedy Company was formed last year at Danville, Va., for the general sale of the preparation. "Coleman's Guarantee" is sold by druggists and leading country merchants at 50c (large) bottles. Ask for Booklet telling of many wonderful cures.

### A Shocking Calamity.

"Lately befell a railroad laborer," writes Dr. A. Kellett, of Williford, Ark. "His foot was badly crushed, but Bucklen's Arnica Salve quickly cured him. It's simply wonderful for burns, boils, piles and all skin eruptions. It's the world's champion healer. Cure guaranteed. 25c. Sold by Hood Bros.

### North Carolina Has More Women Than Men.

Census bulletin, No. 88, issued last week, gives the population of North Carolina by sex, general nativity and color. In the State there are 955,133 females and 938,677 males, 1,263,603 whites and 630,207 negroes, under which class 5,687 Indians are placed and 1,889,318 native born and 4,492 foreign-born citizens. Of the native whites with native parents, 625,249 are males and 625,562 are females. Of native whites with foreign parents, 4,194 are males and 4,204 females and of the negroes 303,624 are males and 320,845 females. The white population of the State constitutes 66.7 per cent. and the negro 33.3.

Integrity without knowledge is weak and useless—Paley.

The great art of learning is to undertake but little at a time.—Locke.

Lady—"Is your father a steady drinker, little boy?" Little Boy—"No! Dad's very unsteady when he drinks."

B. W. Pursell, Kintersville, Pa., says he suffered 25 years with piles and could obtain no relief until DeWitt's Witch Hazel Salve effected a permanent cure. Counterfeits are worthless. Hare & Son, J. R. Ledbetter, Hood Bros.
