TOWN AND COUNTY.

—"The H. H. & B. Co."

-The Smithfield Hardware Co.

-J. H. Kirkman, Fire Insurance, Smithfield, N. C.

-Attention is called to the new advertisement of Clayton Hardware Co.

-Services in the Presbyterian church next Sabbath, morning and evening.

-The name of Leon Czolgosz, the would-be assassin of President McKinley, is pronounced "Cholghosh."

-Farmers, bring your cotton to Smithfield. With three buyers on this market, you can be assured of as high prices as are paid anywhere.

-Mr. W. A. Barr, of the Post-office department, will again be in this section, in a few days to locate and establish the rural free delivery mail routes.

-Mrs. Lina Bailey died at her home near here last Saturday of typhoid fever. The funeral services were conducted by Rev. K. D. Holmes Sunday afternoon.

-Dr. J. B. Robertson is making some improvements on his hotel at Clayton. Six rooms will be added, a large new dining room and another porch will be built.

-It is astonishing to see how much tobacco is being sold on the Smithfield market these days. Each day there are big sales at each house and the prices remain high.

-The Smithfield tobacco market is a wonder. No other young market in the State is meeting with such success. The tobacco farmers know this and that is why so many of them sell their tobacco here.

-Smithfield will have three buyers on its cotton market this season. The tobacco market here is one of the best in the State and our cotton market now bids fair to be as good as the best. Farmers should remember this.

-J. W. Stephenson and Walter Band have bought the ginney on the street leading to the depot and put it in first-class condition. They have begun work, having already ginned several bales of cotton. Read their ad elsewhere in this issue.

-Mr. J. W. Morris, General Superintendent of the Mississippi District of the Southern Weighing and Inspection Bureau, a branch of the railroad service, is now located at New Orleans. Mr. Morris is a practical and up-to-date railroad man and has a very good and responsible position.

-Save the condition of the President, the question most in the mind of the public to-day is the Schley Court of Inquiry. Knowing that THE HERALD readers are interested in this court we have, on another page given an illustrated article which tells the causes which brought about this Court of Inquiry.

-One of the most laughable and most enjoyable entertainments witnessed in Smithfield in a long time was the Old Maids' Convention at Sanders Hall last Friday night. All the young ladies, dressed in funny old-timey, grotesque costumes, performed their parts exceedingly well. Two of the most taking parts on the program were the solos by Miss Annie Stencil and Miss Mattie Woodall. The net proceeds, which were given to the Methodist parsonage fund, amounted to nearly \$30.

-Mr. and Mrs. J. D. Spiers returned yesterday from Petersburg, Va., where they have been for the past two weeks. Mr. Spiers has been undergoing treatment in a hospital there. His many friends throughout this section will be glad to learn that he has returned home greatly improved. Smithfield people have greatly missed him during his absence from the depot. As agent for the Coast Line at this place Mr. Spiers has always shown himself polite, courteous and obliging and we congratulate the railroad company for having such a man in its employ.
