

INDIANS LONG-LIVED.

Census Shows Great Age of Members of Various Tribes.

The Government census takers, who have just completed the census of the Indian territory, report a number of long-lived people who reside in that section of the country.

White Horse a medicine chief of Otoes, is now 101 years old, and says that he feels as young as when he chased cowboys and soldiers 50 years ago.

Another aged Indian is Looking Glass, a Cheyenne warrior. He will soon be 105 years old. He was with Sitting Bull, the great Sioux warrior, in most of his raids, and he has passed through seven Indian wars.

Nancy Jacobs is a Choctaw woman 100 years of age, who lives in the woods near Antlers. She was a cook for the white soldiers during the civil war, and remembers all of the big generals and commanders of the Southern forces.

Among the Apaches there are ten or twelve women who have passed the 100 year period. One of the cruel features of the Apache home life is that when a woman has passed her period of usefulness about the house she is taken into the country and left alone by the roadside to die.

"Boys," said a shrewd schoolmaster, "we must have closer attention to our books. The first one that sees another boy idle, I want him to inform me, and I will attend to his case."

A Fox to Catch a Fox.

"How like this is the greater school of life. People are always trying to catch one another in fault, and nine times out of ten the fault we discover is exactly our own."

How like this is the greater school of life. People are always trying to catch one another in fault, and nine times out of ten the fault we discover is exactly our own."

The suspicious person finds everybody suspicious; the dishonest person thinks no one is trustworthy. The uncharitable person is constantly condemning the uncharitableness of others.

It would be a pretty good rule for each of us to suspect himself in the same particular or particulars in which he finds himself constantly suspecting others.

A never failing cure for cuts, burns, scalds, ulcers, wounds and sores is DeWitt's Witch Hazel Salve. A most soothing and healing remedy for all skin affections.

A. & M. COLLEGE IS FULL.

President Winston Says a Thousand Boys Would Come if he had Room for Them.

There are now 315 students in the A. & M. College at Raleigh. This is all the College can accommodate. A few vacancies will be made by students leaving from poverty or other causes and in this way there will be room for a few more students from time to time, but for only a few.

Don't wait until you become chronically constipated but take DeWitt's Little Early Risers now and then. They will keep your liver and bowels in good order.

The bulletin for July of the State board of health says that typhoid fever was prevalent in 77 counties—from the mountains to the sea. Buncombe reported four cases, while Mecklenburg made no report; Wake reports 39, New Hanover 32.

Working Night and Day. The busiest and mightiest little thing that ever was made is Dr. King's New Life Pills. These pills change weakness into strength, listlessness into energy, brain-fag into mental power.

—In this issue we publish an advertisement, "How Farmers can Save Money." Especially would we call attention to the Corn Husker and Cutter or Shredder which the Implement Company, 1302 and 1304 East Main Street, Richmond, Va., advertises.

BAD BLOOD, BAD COMPLEXION.

The skin is the seat of an almost endless variety of diseases. They are known by various names, but are all due to the same cause, acid and other poisons in the blood that irritate and interfere with the proper action of the skin.

To have a smooth, soft skin, free from all eruptions, the blood must be kept pure and healthy. The many preparations of arsenic and potash and the large number of face powders and lotions generally used in this class of diseases cover up for a short time, but cannot remove permanently the ugly blotches and the red, disfiguring pimples.

Eternal vigilance is the price of a beautiful complexion when such remedies are relied on.

Mr. H. T. Shobe, 2704 Lucas Avenue, St. Louis, Mo., says: "My daughter was afflicted for years with a disfiguring eruption on her face, which resisted all treatment. She was taken to two celebrated health springs, but received no benefit. Many medicines were prescribed, but without result, until she decided to try S. S. S., and by the time the first bottle was finished the eruption began to disappear. A dozen bottles cured her completely and left her skin perfectly smooth. She is now seventeen years old, and not a sign of the embarrassing disease has ever returned."

S. S. S. is a positive, unailing cure for the worst forms of skin troubles. It is the greatest of all blood purifiers, and the only one guaranteed purely vegetable.

Bad blood makes bad complexions. S. S. S. purifies and invigorates the old and makes new, rich blood that nourishes the body and keeps the skin active and healthy and in proper condition to perform its part towards carrying off the impurities from the body.

If you have Eczema, Tetter, Acne, Sal Rheum, Psoriasis, or your skin is rough and pimply, send for our book on Blood and Skin Diseases and write our physicians about your case. No charge whatever for this service. SWIFT SPECIFIC COMPANY, ATLANTA, GA.

Saved His Life. Hon. J. A. Oates, Mayor of Dunn, N. C., says: "I am sure Dr. Worthington's Remedy saved my life. Since that day I have used it continually, and think it the greatest remedy on earth and it should be kept in every home." Price 25c. at Hood Bros.
