TOWN AND COUNTY.

—"The H. H. & B. Co."

—The Smithfield Hardware Co.

—J. H. Kirkman, Fire Insurance, Smithfield, N. C.

—Special attention is called to our farm department on the third page of this paper. We want to make this department interesting and helpful.

—Rev. R. W. Hines will preach at the Presbyterian church here next Sunday morning, it being the time for the regular communion service.

—Rev. J. W. Suttle has announced that he will begin a series of meetings at the Baptist church here Monday night after the third Sunday in November.

—Dr. Hall, of New York, gave his famous lecture "How to Get Married and Stay So," here last Friday night to a good audience at Sanders Hall. Those present thoroughly enjoyed it.

—On the first Sunday in November the Four Oaks lodge will hold Masonic honors over the grave of Mr. C. R. Adams at Four Oaks. Masons of other lodges are invited to attend and take part.

—Mr. James Daniel Parker, United States Commissioner and editor of the late Smithfield Courier, went to Greensboro last week to be present at the conference of Republican office-holders—so-called the Republican Executive Committee.

—Mr. W. T. Johnson and Miss Evie Barnes, both of Cleveland township, were married Wednesday, October 9th, at the residence of Squire J. J. Lee. The knot which bound them together for weal or woe was tied by Squire Lee. The groom is 33 years of age and the bride 14.

—Note change of date of the H. H. & B. Co.'s Biscuit Baking Contest for the Buck's Junior Stove from Oct. 26th, to Tuesday Oct. 29th. The representative of the Buck's Stove and Range Co. who will conduct the contest, advises that it will not be possible for him to reach here by the 26th, hence the change. The little girls will commence baking promptly at 2 p. m.

—Tobacco continues to bring high prices on the Smithfield market and much is being sold here. Tuesday Mr. R. E. Lee sold a load here that averaged 40 cents a pound. This is the highest average load we have yet heard of. The lowest price received was 35 cents per pound. The highest 50 cents a pound. Smithfield has three large warehouses, all managed by as clever and polite tobaccoists as ever went on any market. By their fair dealings and honest efforts to get the highest price for the farmer's tobacco they have made friends and brought tobacco here from far and near. From the beginning we have had great faith in the Smithfield tobacco market. It has been a success and a splendid future is before it if it remains in the hands of such popular and capable managers as at present.

—Neuse Lodge, No. 125, Knights of Pythias, held a very appropriate memorial service in honor of the late President McKinley at Sanders Hall here last Thursday evening. Quite a good crowd was present. The lodge in a body was seated on the stage. Rev. Mr. Hines, a member of Neuse Lodge, offered prayer, after which "Nearer, my God to Thee," was sung. Vice Chancellor F. H. Brooks, then read a communication from the Grand Chancellor of the Supreme Lodge, calling on the Knights throughout the country to hold fitting services in honor of President McKinley, who was a Knight. After reading the communication Mr. Brooks introduced Rev. Mr. Hines, who delivered an address touching the life of Mr. McKinley. It was a splendid effort, well prepared and impressively delivered. Lack of space forbids a synopsis of the address. Neuse Lodge K. of P. is flourishing, new members being added every week.

Blood.

We live by our blood, and on it. We thrive or starve, as our blood is rich or poor.

There is nothing else to live on or by.

When strength is full and spirits high, we are being refreshed, bone muscle and brain, in body and mind, with continual flow of rich blood.

This is health.

When weak, in low spirits, no cheer, no spring, when rest is not rest and sleep is not sleep, we are starved; our blood is poor; there is little nutriment in it.

Back of the blood, is food, to keep the blood rich. When it fails, take Scott's Emulsion of Cod Liver Oil. It sets the whole body going again—man woman and child.

If you have not tried it, send for free sample, its agreeable taste will surprise you. SCOTT & BOWNE, Chemists, 409-415 Pearl Street, New York. 50c. and \$1.00; all druggists.
