

# "SAVED MY LIFE"

—That's what a prominent druggist said of Scott's Emulsion a short time ago. As a rule we don't use or refer to testimonials in addressing the public, but the above remark and similar expressions are made so often in connection with Scott's Emulsion that they are worthy of occasional note. From infancy to old age Scott's Emulsion offers a reliable means of remedying improper and weak development, restoring lost flesh and vitality, and repairing waste. The action of Scott's Emulsion is no more of a secret than the composition of the Emulsion itself. What it does it does through nourishment—the kind of nourishment that cannot be obtained in ordinary food. No system is too weak or delicate to retain Scott's Emulsion and gather good from it.

We will send you a sample free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

### Meeting of County Board of Education.

FIRST MONDAY IN DECEMBER.  
Notice is hereby given that the County Board of Education will meet in their office in the court house the First Monday in December to attend to any business that may come before them.  
W. F. GERALD, Chairman.  
IRA T. TURLINGTON, Sec.

### Johnston County Teachers' Association.

We are attempting to reorganize our teachers' association for white teachers. The plan is to organize in sections and let each section meet at least once before the Christmas holidays and once afterwards, let all the sections meet together in Smithfield the Second Saturday in January, 1906. By this time the school funds will have been apportioned and the committee notified so that those who may wish to draw a part of their salary can do so on that day.

At the teachers' meeting at Benson a week or two ago we organized the Benson Section of the association and later at Kenly we organized the Kenly Section, and last Friday at Clayton we organized the Clayton Section.

Prof. B. W. Allen was elected President and Mr. Jos. W. Wood Secretary of the Benson Section. Prof. F. A. Edmonson was elected President and Miss Julia McEachern Secretary of the Kenly Section. Professor T. H. Lindsey was elected President and Mr. R. F. Coats Secretary of the Clayton Section.

The Benson Section will meet on the First Saturday in December at 11 a. m., in the Graded School building at Benson and carry out the programme below:

1. How can we increase our patronage?—J. W. Wood.
2. Discipline.—B. W. Allen.
3. How to teach Reading.—Miss Vara Lee.
4. How to teach History and Geography.—Miss Ellen Eldridge.
5. How to teach Phonics.—Miss Mary Hatcher.

The Kenly section will meet on the second Saturday in December and the Clayton section on the third Saturday. I hope to publish programmes for these meetings next week.

Now I want a section here. Let those who will help in this work and who are more convenient to Smithfield than to the meeting places of the other sections drop me cards at once expressing their willingness to join the Smithfield Section. I wish we could have a programme published next week for the other three sections. Write Saturday so that I can get your card by Monday.

Now, I want every white teacher to belong to at least one of these sections and attend its meetings. I want every white teacher in the county to attend the union meeting of these Sections in January.

OUT VISITING SCHOOLS.  
I shall from now on be visiting the public schools. Those who want to see me should come to my office in the court house on Saturdays.

### Four Great Secrets.

The desire for happiness is natural. If we come to Christ for happiness. He tells us four great secrets about it: 1. It is inward and not outward; and so it does not depend on what we have but on what we are; 2. It is not to be found by direct seeking, but by setting our faces toward the thing from which it flows; and so we must climb the mount if we would see the vision, we must tune the instrument if we would hear the music; 3. It is not solitary but social, and so we can never have it without sharing it; 4. It is the result of God's will for us and not of our will for ourselves, and so we can only find it by giving ourselves up in submission and obedience.

## The Race.

The race was on! With voice and whip  
Each rider urged his steed  
Around the course a score of times  
At most tremendous speed,  
And to the end my jockey's horse  
Was always in the lead.

My jockey rides his prancing steed  
With perfect ease and grace,  
My heart beats high with love for him;  
I watch his eager face;  
It wears a most determined look—  
He's bound to win the race.

With ringing voice he rushes on;  
The race is nearly done.  
The steed he rides strains every nerve;  
This work for him is fun.  
One more leap and then—hurrah!  
My jockey's horse has won!

My bright faced boy, just three years old,  
Was this successful groom;  
The course whereon the race was run  
Was in the sitting room.  
And, strange to tell, the horse that won  
Was mamma's kitchen broom.  
—Thomas Holmes in Trenton State Gazette.
