

CLAYTON NOTES.

Mr. and Mrs. Ashley Horne spent Monday in Raleigh.

Mr. John L. Johnston, formerly of this place, was a visitor here Wednesday.

The Odd Fellows installed their officers for this term on Wednesday night.

We regret to learn of the death of Mrs. Young, nee Miss Clyde Ellington, of Raleigh.

The Clayton Buggy Co. continue to receive shipments of buggies and harness.

Mr. and Mrs. J. G. Jones have been sick but are now, we are glad to learn, improving.

Dr. T. N. Ivey, of Raleigh, preached in the Methodist church Sunday morning and night.

Pastor Williams of the Methodist church, preached at Four o'clock Saturday and Sunday.

There's a pretty good demand for peas of all kinds here now, and they are bringing fairly good prices.

The farmers of this section seem determined to get higher prices for their cotton or hold for a while longer.

Mr. W. A. Barnes is having his land (the M. Harris tract) layed off in lots and will offer them for sale at an inducing price.

Mr. C. H. Ellis will install a soda fountain in the old millinery store of Dr. Griffin's and will also serve oysters in the rear of store.

There has been a movement on foot here to close all dry-goods stores at 7 o'clock p. m., from the first of the year until September first.

Our city is "besieged" by drummers this week. This is one indication of the continued prosperity of Clayton, N. C., Johnston county.

We learn from manager C. T. Young that the Clayton Drug Co's business is increasing rapidly. A big patronage is the just dues of this concern.

THE SMITHFIELD HERALD sent some very handsome calendars to the business men of our place this week. It's splendid job work THE HERALD is doing now.

We hear that another big brick store will be erected here this spring which will add much to the appearance of our town. It's high time our folks were discarding the wooden buildings entirely.

The Woman's Missionary Society of the Methodist church, gave a reception at the home of Mrs. E. B. McCullers, on last Thursday night, in honor of the new pastor, Rev. Mr. Williams.

A hosiery mill for Clayton is the latest suggestion. We hope this good suggestion will mature. Any enterprise for the manufacture of cotton will find plenty of room and a hearty welcome in Clayton.

We are glad to hear it rumored, and will be gladder still if the rumor is true, that Mr. R. B. Whitley, of Selma, will shortly move to our place. Clayton has charms that the bustling business man cannot well resist.

Mr. E. L. Oneil has purchased Mr. Turley's interest in the firm of Oneil & Turley and has moved their large fountain over to his Grocery store. We have heard that Mr. Q. F. Pool will occupy the store vacated by Oneil & Turley.

We are glad to note that the Clayton Cotton Mill has netted its stock holders 15 per cent, besides the regular semi-annual dividend of 4 per cent. This is quite a satisfactory showing for a young mill, and the prospects for its future are even more favorable.

From the amount of buying we notice among the merchants of our place, it seems that we are going to be prepared for an enormous trade this spring and summer. There's no reason why trade should be so good. The farmers have stacks of cotton on hand and plenty of money to boot.

Go to W. G. Yelvington's store for your jackets, cloaks, ready made skirts, dry goods and ladies' fine dress shoes and millinery at reduced prices.

Edmundson; Secretary and Treasurer Miss Annie Aycock. Chairman of prayer meeting committee, Mr. S. S. Earle. Chairman of Lookout committee, Mr. R. T. Renfrow. This was followed by prayer by Rev. J. W. Alford. Mr. C. W. Edgerton then introduced the speaker of the evening, Mr. W. A. Chisholm, of Sanford, the District Deputy State Councillor who very forcibly and interestingly spoke for about 40 minutes on the Objects and Principles of the order, after which all heartily joined in singing America. "MAKES YOU WELL ALL OVER."  
New Scientific Remedy That "Jets at the Joints From the Inside."

When you get up in the morning with a headache, pains in the joints and muscles, and a dark brown taste in the mouth, it is ample proof that your blood is in bad condition. Pills and stimulants may give you temporary relief, but they will not cure.

Rheumacide goes right to the seat of the trouble, sweeps all the germs and poisons out of the blood, cleans up every "plague spot" in the body and "makes you well all over." Rheumacide tones up the stomach, relieves indigestion and constipation, regulates the liver and kidneys and restores each organ to its natural functions.

By building up the entire system, Rheumacide fortifies you against La Grippe, Pneumonia and winter Colds. Through its thorough cleaning of the blood it wards off Malaria and prevents Spring Fever.

No other medicine has yet been found that cures Rheumatism to stay cured. A remedy that is powerful enough to cure Rheumatism also removes the germs of all other blood diseases.

Powerful as it is, Rheumacide is a purely vegetable remedy that does not even harm the stomach of a baby and acts entirely through nature's channels. Your druggist sells and recommends Rheumacide.

MOB THREATENS LYNCHING.

Delaware Troops in Readiness to Protect Negro.  
Milford, Del., Jan. 17.—A hurry call for the militia was sent out to prevent a mob getting into the jail to take out a negro accused of attempting to assault Miss Flora Booze, a school teacher, near here. Citizens reached the jail with a colored man, whom Miss Booze declared to be the one who had attacked her on a road while she was returning from school.

When it became known that the man had been found, a crowd gathered at the jail and broke some of the windows of the place. The conservative men of the town pleaded with the crowd, and as this did not stop the angry ones from further showing their determination to create a disturbance, appeals were sent to Attorney General Richards and Governor Lea. The Milford company of the State Guard was summoned by Colonel Townsend, and if further attempts are made to get the negro, the soldiers will be sent from the armory to the jail.

The negro gives the name of John Long. When he accosted Miss Booze he knocked her down, filled her mouth with dirt and tore her clothing. She managed to free herself and screamed. The negro, becoming frightened, fled, and hid in a swamp, where he was captured by a posse.

TWO ROBBERS ARRESTED  
Men Who Bound and Gagged Farmer's Family Found in Trenton.

Trenton, N. J., Jan. 17.—William Burke and John Williams, both colored, were arrested here and are held awaiting requisition from the Pennsylvania authorities to answer charges of robbery and having bound and gagged Edward Cooper and wife and Fred Mathias, a farm hand, who lived with the Coopers, near Newtown, Pa.

Monday night three men entered the Cooper residence, and while in the house Miss Mary Cooper, aged 23 years, made her escape from a second-story window and ran to a neighboring farm. The neighbors went to the Cooper residence and released Mr. and Mrs. Cooper and Mathias. Word of the robbery and attack was sent to Trenton, and Officer Barlow saw three men on the street whom he suspected as being the men wanted. He rapped for assistance and succeeded in arresting Burke and Williams. The third man, a white man, succeeded in getting away. Cooper came to Trenton and identified the two men who were in custody. Burke was formerly employed by Cooper, but was discharged some time ago for not doing his work. Miss Cooper is prostrated from the shock and exposure.

HARVARD ABOLISHES FOOTBALL  
Game Discontinued Until Rules Are Changed.

Boston, Jan. 16.—Football has been abolished at Harvard, pending a reform in the game that will be acceptable to the board of overseers, according to an official announcement from the university. The discontinuance of the game is a result of a vote taken last week at a secret meeting of the board of overseers, when it was decided that intercollegiate football at Harvard would not be permitted until the rules and regulations had been so changed and amended as to remove what the overseers regard as the evils of the present game. The overseers accepted unanimously the opinions of a special committee that the game as at present played is essentially bad in every respect, that the method of formation encourages trickery and foul play and that the result is bad for the morals of the players as well as for the body.

DESCENDANT OF MUHLENBERG  
Mrs. Nicholls, Lutheran Founder's Great-Granddaughter, Dies.

Reading, Pa., Jan. 16.—Mrs. G. A. Nicholls, widow of a former railroad general superintendent, died in this city, aged 77. She was a great-granddaughter of Henry Melchior Muhlenberg, founder of the Lutheran church in America. Mrs. Nicholls was one of the best-known women in Reading, being president of the Needlework Guild and a former regent of the Daughters of the Revolution, besides being prominent in other charitable and social affairs. She was formerly a resident of Philadelphia.

Favors "Open Door" in Morocco.  
London, Jan. 16.—The Associated Press is advised that Ambassador White, representing the United States at the Moroccan conference at Algeiras, will support the German contention both as to the "open door" in Morocco and as to an international commission to control the policing of the country. It is suggested that this may make the adoption of the German view probable, particularly in the light of the fact that Russia has shown marked indifference to the appeal of France for support. The influence of the Vatican is also understood to be hostile to France.

Philadelphia Machine For Reform.  
Philadelphia, Jan. 16.—The first move toward reform within the Republican party was made by the newly organized Republican city committee when a resolution was unanimously adopted asking 25 prominent citizens, nearly all of whom had been identified with the recent reform movement, to confer with the committee as to the best methods of bringing about the reforms demanded.
