

Medicines Which Druggists May Not Sell Without License.

State Auditor Dixon has issued the following:
 "I have had several inquiries concerning alcoholic compounds labeled as medicines and held out to the public as remedies for diseases, and I wish to say I have secured the following list from the revenue department, at Raleigh, of medicines which are within the terms of the ruling of September 12th 1905, which is that all druggists selling the following medicines, after first day of April, 1906, will be subjected to fines and penalties, unless they take out a regular liquor license tax:

Atwood's LaGrippe Specific, Cuban Ginger, De Witt's Stomach Bitters, Dr. Bouvier's Buchu Gin, Dr. Fowler's Meat and Malt, Duffy's Malt Whiskey, Gilbert's Rejuvenating Iron and Herb Juice, Hostetter's Stomach Bitters, Kudros, Peruna, Rock Candy Cough Cure."

The human foot is becoming smaller. The masculine foot of twenty centuries ago was about twelve inches long. The average man's foot of to-day is easily fitted with a number eight and a half shoe, which is about ten and a half inches in length.—Ex.

KILLS LIKE LIGHTNING.

How Deadly Rheumatism of the Heart Comes On.

Those pains you feel when you first arise in the morning—aching pains in the joints, shooting in the muscles—are signs of warning. They are signals, evidences of a deep-seated trouble that if not removed may affect the entire system and cause chronic disease, or if the cause is not removed, they may develop suddenly into the deadly Rheumatism of the Heart, which kills like lightning.

Better get rid of the cause at once. Rheumatism and its kindred diseases are caused by the accumulation of poisonous acids in the blood. Rubbing with oils or liniments will not cure it; it is an internal disease, and can be conquered only by an internal remedy. There is just one complete cure—RHEUMACIDE. RHEUMACIDE neutralizes the poisonous acids, sweeps all the dangerous germs out of the blood and "makes you well all over." RHEUMACIDE CURES because it is the only remedy that "gets at the joints from the inside."

Mr. W. R. Hughes, of Atkins, Va., writes:

"Four bottles of RHEUMACIDE have entirely cured me of a long standing case of Rheumatism, and greatly improved my general health. I was a total wreck, having had rheumatism for twenty years. I spent several weeks and much money trying specialists in New York, but RHEUMACIDE is the only cure I have found. When I began to use it I weighed 140 pounds. Now I weigh 180 pounds, my normal weight."

The United States Agricultural Department has issued (and circulates free) a valuable report giving the results of elaborate experiments made by and under the direction of the Department, which show the great saving from baking at home, as compared with cost of buying at the bakers. All bread, cake, biscuit, crullers, etc., are very much fresher, cleaner, cheaper and more wholesome when made at home with Royal Baking Powder.
