Concerning the People, Business and Progress of the Town and County

Hour of Unveiling Changed.

We are requested by Mr. W. I. Pearce, of Princeton, to state that the hour of unveiling the monument to the late Jesse H. Wellons by the Woodmen of the World has been changed to 3:30 instead of 2:30 as was announced last week. A special invitation to all members of secret orders and to all Woodmen is given, that they meet on the Court House Square at 2:30 o'clock, next Sunday, September 25th. The public is cordially invited to attend the unveiling.

Bridgers Found Guilty.

A verdict of manslaughter was rendered by the jury in the case of R. S. Bridgers who killed M. D. Coats a few weeks ago. The jury brought in their verdict last Friday afternoon. The facts brought out in the trial were substantially the same as were published in this paper the week after the killing. Yesterday afternoon Judge Cooke sentenced Mr. Bridgers to eight months in jail.

Association At Hickory Grove.

The seven-mile Primitive Baptist Association was held with Hickory Grove church at Peacock's Cross Roads last Friday, Saturday and Sunday. As usual the crowds were large and the time was spent pleasantly by all who attended. Elder Shaw and Elders J. M. Monses, of Georgia, and James Johnson, of this county, preached on Sunday.

Two Years on the Roads.

Yesterday afternoon Judge Cooke sentenced Charlie Creech and Grover and Jasper Jones to two years on the Smithfield-Clayton roads. They were found guilty of assault with deadly weapon on Frank McPartland, Dock Jones, the other defendant in the case took his departure for parts unknown Wednesday before the verdict was rendered, forfeiting his bond of \$500.

B. Y. P. U. Program.

A very interesting program is being arranged for the next meeting of the B. Y. P. U. next Tuesday evening, September 27, at 8 o'clock in the Sunday School room of the Baptist church. In arranging the plan of study for this fall and winter for the Union, the committee having the matter in charge decided to have a literary meeting once a month, this being the last meeting night in each month. Accordingly the subject selected for next Tuesday evening is "The Brownings." All the young people and all others who are interested in the work of the Union are cordially invited to attend.

Presbyterian Manse Stormed.

On Monday evening a party of the town people stormed the Presbyterian manse; and without any extreme measures gained an entrance. I do not know whether it was called a surprise party, a storm party or just a regular pounding; but I do know it was all three.

It was not the congregation from the Presbyterian church. It was a representative body from all the churches in town, this made it a double success.

The result is, that the pantry at the manse is well filled with the best things to eat, the pastor and his family are profoundly thankful and much encouraged.

May those who show such kindness in providing the bread for the body be fed with that Spiritual bread which cometh down from Heaven. T. H. SPENCE.

Week of Prayer.

We are requested to announce that the Woman's Home Mission Society of the M. E. church will observe the week beginning Monday, October 3rd, as a week of prayer. Services will be held every day in the Epworth League Room, at 4 o'clock p. m.

An interesting program has been prepared by the General Board, which will be fully carried out by the local auxiliary.

The ladies of all denominations are cordially invited to attend.

A Promising Young Man Dead.

We regret to chronicle the death of Mr. Almon Taylor, a son of Mr. Z. Taylor, of Pine Level. He was seventeen years and five months old and had promise of a useful life ahead of him. He had not been in good health for some time, his trouble being chronic asthma. He was taken very sick Wednesday and died Saturday night, September 10th. His remains were placed away in the graveyard near Mr. E. F. Futrell's home on Sunday afternoon the funeral being preached by Rev. J. H. Worley. We sympathize with the family in their sad bereavement.

Superior Court Still in Session.

Court convened last Friday morning at nine according to adjournment and the following cases were disposed of:

State vs. Neil Baker and Henry Bryant. Store-breaking. Nol pros as to Baker. Bryant pleads guilty.

The "Man in the Well Case" was next taken up and occupied the time of the court until Wednesday afternoon.

The case of John Atkinson who killed Arthur Williams at Princeton some weeks ago was taken up. The defendant plead guilty of murder in the second degree. The court then sentenced him to 15 years at hard labor in the penitentiary.

State vs. Casey Durham, Larceny. Not guilty.

State vs. Oscar Oneal and Jesse Maynard. Affray. Guilty as to both defendants.

State vs. Owen Ashford. Assault with deadly weapon. Guilty. Two years on Clayton-Smithfield roads.

State vs. Dave McCoy, L. and R. Defendants pleads guilty. Four months on roads.

State vs. Luther Norwood. House breaking. Guilty. Three years on Clayton-Smithfield roads.

State vs. Luther Norwood, C. C. W. Defendant pleads guilty. Judgment suspended.

State vs. Lonnie Whitley, L. and R. Guilty. Four months on roads.

State vs. W. H. Freman and Buck Sanders. Affray. Defendants plead guilty.

The case against Sutton who killed P. M. Creech was continued till next Court.

On account of the large number of criminal cases the civil cases were all continued to the December term of court. It will take the remainder of the week to finish up the criminal cases.

The Passion Play.

Monday night in the League Room, the Epworth League Exercises will consist in a discussion of the Oberammergau Passion Play. A most interesting program has been arranged. The public is cordially invited to be present.

Unexpected Death.

Mr. Gaston Strickland, of Four Oaks, died last Saturday. He was in Smithfield last week and on Friday, September 16th, went to the home of his brother, Mr. Preston Strickland, of Elevation township, for a hunt that night. Next day on his way back he stopped for a glass of cider, which, it is thought killed him. It is supposed that the canker from the metal faucet used to draw the cider from the barrel made a poison which caused his death. He was buried Sunday afternoon. He was a son of Mr. Eb Strickland who lives near Four Oaks.

Death Claims Mr. Bythan Wallace.

Mr. Bythan Wallace, who lived about three miles south of Four Oaks, died Tuesday, September 20th. He was nearly seventy years old. Several years ago he suffered a slight stroke of paralysis which disabled him to some extent but he had been able to attend to his affairs until Thursday of last week when he suffered another attack of the same disease. From then he sank very rapidly until his death. He was a brother of Mr. R. I. Wallace, of Smithfield and Messrs Ashley and Dick and C. A. Wallace, who live near here.

A Good Citizen Leaves Us.

The sad news has gone out of the death of Mr. W. R. Massengill which occurred at his home three miles from Four Oaks last Saturday. He was sick only nine days. The burial took place Sunday at the Henry S. Lassiter graveyard. The wife of Mr. Robert Williams, of Four Oaks, was a daughter of his. Mr. Massengill was a prosperous farmer and a good citizen and will be missed by the people of his neighborhood.

Advertise This Fall As You Wish You Had Advertised Last Fall

It is likely that nothing in connection with the management of your business last fall is more regretted than the failure to advertise ADEQUATELY.

To make amends this year—in "good measure"—for the advertising that was NOT DONE last fall, or, to "make up" this MONTH for the insufficient advertising of last month; or, this WEEK for last week's non-aggressiveness in advertising—these are the privileges of the business man who is working to WIN.
