Plow Pulled by Automobile.

On last Friday, Mr. W. R. Sanders showed a number of people that a plow could be drawn by an automobile. A number E 20 McKay double disc plow made by the T. & S. Co. of Rowe, Ga., was used. This plow sells for \$110. In front of the plow was attached to the rear axle of the automobile, a Smith-Farm-A-Tractor. This tractor costs \$255. It has two long braces which reach the front axle of the automobile and two large wheels nearly the size of the regular tractor wheels. This outfit is manned by two men who demonstrate it and while they sell a few plows and tractors to each dealer or agent their main business is to sell territory rights. They sell mostly rights to SEE US FOR FRUIT JARS-COTagents to handle this outfit.

GOD SAVE-KEEP-HOLD OUR MEN.

(Tune "AMERICA"—Key F.) God SAVE our splendid men, Send them safe home again, God SAVE our men.

Make them victorious, Patient and chivalrous, They are so dear to us, God SAVE our men.

God KEEP our own dear men, From every stain of sin, God KEEP our men. When Satan would allure, When tempted keep them pure, Be their protection sure-God KEEP our men.

God HOLD our precious men, And love them to the end, God HOLD our men. Held in Thine arms so strong, To Thee they all belong, Held safe from every wrong, God HOLD our men.
