

PREMIUM LIST

Rules and Regulations of the Seventh Annual Fair of the Johnston County Agricultural Society
To be held at Smithfield, N. C., November 7, 8 and 9th, 1917

(Continued from page Six.)

Special Prizes for Agricultural Exhibits

The following premiums are offered for the best Agricultural exhibit, all the products of any township and grown in that township, the largest in variety and quality of products also to be considered, and the most attractive displayed.

Parties exhibiting for these premiums must hand in to the Secretary a formal affidavit to the effect that these products as exhibited were grown and raised in one township on farms as a part of the crop for the year 1917 or the judges will not consider the exhibit.

First prize \$50.00
Second prize 30.00
Third prize 10.00

Exhibits competing for this prize will not be allowed to compete for any single prize.

DEPARTMENT B

Live Stock

W. L. FULLER, Chairman, Horses, Cattle and Hogs.

Live stock exhibited for premiums must be entered in the name of the owner and must be owned in Johnston or adjoining counties.

All animals must be individually meritorious, or the premiums will be withheld.

The premiums are liberal and stock passes will be furnished attendants.

In all cases where an animal is entered as a particular breed or as a standard breed, his authenticated pedigree must be shown and approved by the judges, or he shall only be entitled as a "grade" of the breed mentioned.

This rule will be strictly adhered to as the premiums offered for Standard Breeds are liberal and are offered to encourage the breeding of better stock and the keeping for breeding purposes of standard and registered bred sires, etc.

Horses

All horses, colts, mules and ponies must be on parade in the infield of the race track on Friday morning promptly at 11:30 o'clock and will be dismissed by the judges as soon as the awards are made.
