MEETING SUNDAY AFTERNOON.

A Sermon Lecture at Baptist Church at 3:30 O'clock by Dr. John A. Wray. Public Invited.

There will be a mass meeting at the Baptist church Sunday afternoon beginning at 3:30 o'clock. Dr. Wray will deliver a sermon-lecture, subject: "A Heart to Heart Talk With Every Member of the Family."

Miss Poole's Opening.

The attractive millinery store of Miss Ora V. Poole was the Mecca for the ladies of the town and county last Tuesday, the occasion being the "Opening Display" of her Fall and Winter hats.

The shapes were in diversified models varying from small turbans and toques, through all the medium sizes, to the very wide brim sailors, with their suggestion of the picturesque Gainsboroughs.

Purple was probably the favorite color, with Taupe a close second, and the useful all-black hat, was as popular as ever.

There were dainty hats for afternoon showing delicate shades of blue and pink, with rich ostrich garniture. Silver ribbon was most skilfully used and another pleasing effect was produced by an artistically executed design in braiding.

Some of the pattern hats were from the houses of James G. Johnson, and Baird Bros., of New York, Louisville and Cincinnati, and all of them showed the well-known good taste of Miss Poole, and her experienced assistants.

Richardson-Sanders.

At the home of Mrs. Annie B. Sanders, her daughter, Miss Clyde, and Mr. J. H. Richardson, son of Mr. Joe Richardson, of Kenly, were married Wednesday, September 26th.

The ceremony was performed by Rev. T. W. Siler, pastor of the bride.

In Honor of Miss Margaret Muns.

Thursday evening from 8:30 until 11:00, Miss Retta Martin was at home to the D. G. S. Girls, in honor of Miss Margaret Muns, who on next Tuesday evening, October 2nd, will become the bride of Mr. Emmett Johnson.

Miss Muns being asked to come ahead of time, did not realize that she was being entertained, as one by one, the club girls casually dropped in. The girls each brought their sewing, and after plying their needles for awhile, they decided to indulge in some old fashioned games, charades, "Slap in and Slap Out," followed by "Hiding the Thimble" were played.

But strange to say, with the finding of the thimble, interesting parcels were found bearing the name of Miss Muns. These packages were then presented to the guest of honor who opened each one and to her amazement found them to be lovely lingerie gifts.

The regular teachers' examination will be held in Smithfield, October 9th and 10th. All who wish to take this examination are requested to be here by nine o'clock.

Those present were, Misses Margaret Muns, Bettie Watson, Helen Wallace, Lalla Rookh Stephenson, Florence Muns, Virginia Puckett, Eloise Martin, Blanche Bailey, Irene Myatt and Cora Belle Ives.

For Peace.

Were half the power, that fills the world with terror, Were half the wealth, bestowed on camps and courts, Given to redeem the human mind from error, There were no need of arsenals or forts.

The American people are consuming an average of 90 pounds of sugar per year for every man, woman and child. The French people have been reduced to 21 pounds a year per capita, and their supply even at that rate is practically exhausted.

A man's life can be no larger than the objects to which it is given.—Henry Churchill King.

DR. WRAY AT BAPTIST CHURCH.

A Native of Shelby and Cousin of the Famous Dixon Brothers. Began His Night Meetings Here With Great Sermon on Prayer.

Dr. John A. Wray, a North Carolinian by birth, but who has spent the past twenty years in the pastoral and evangelistic work in Georgia, Florida and Oklahoma, is drawing ever increasing congregations at the Baptist church by his strong gospel sermons.

Dr. Wray, who is a first cousin of Thomas Dixon, noted author, and Dr. A. C. Dixon, pastor of a great church in London, after graduating at Wake Forest College, took post graduate work at Harvard University and at the Southern Baptist Seminary at Louisville, Ky.

Dr. Wray is a graceful and accomplished speaker and carries the truth home with great force.

He is ably assisted by Mr. Furman Betts, of Raleigh, who leads the singing at each service. Mr. Betts is an evangelistic singer of many years experience.

Dr. Wray arrived Tuesday afternoon and held his first service at 3:30 that day. That night a good congregation greeted him. He spoke on the theme of prayer. Many have said that they never heard a greater sermon on the subject.

"Prayer! What is Prayer? Prayer is helplessness leaning on power.

"Prayer! It is misery wooing bliss!

"Prayer! It is corruption panting for immortality and earth-borns claiming nativity beyond the stars!

"Prayer! It is the flight of the soul to the bosom of God, claiming kindred in the skies!

"Prayer! It is the spirit of earthly soarings, rising to a higher sphere and bathing its plumes in the ethereal and eternal!"

Dropping the quotation, the speaker again exclaimed:

"Prayer! It's an asbestos robe about the children of God through which the fires of earth and hell can never eat their way.

"Prayer! It's the storm-tossed mariner looking toward the lights along the shores of the Beulahland. It is the sweetest privilege of your life and of my life!

Those who heard Dr. Wray in this sermon had a new vision of the meaning and worth of real prayer.

Dr. Wray preached a strong sermon Wednesday night on the subject, "For Jesus' Sake." The text for Thursday night was "Where Art Thou?"

The afternoon services are held each day at 3:30 o'clock and have been well attended so far.

The services will continue until further notice each day at 3:30 and 7:45.

Three services Sunday: 11 A. M., 3:30 P. M., and 7:45 at night.

The people of the town and community are given an earnest invitation to attend all these services.

Teachers' Examination.

The regular teachers' examination will be held in Smithfield, October 9th and 10th. All who wish to take this examination are requested to be here by nine o'clock.
