

Attend The Big Johnston County Fair

Smithfield, November 7, 8 and 9.

**MATHER, the World Famous Aviator
Will be Here During Our Fair**

Arrangements have been made with the Young Aeroplane Company of New York City to have Carl Mather, the World Famous Aviator, here during our Fair. Mather is considered one of the best High Flyers in the country and his stunts will make everyone sit up and take notice. Mather will do all the crazy stuff, and is said to be a treat when it comes to thrills that make your hair stand up. Mather's sensational flying is said to be wonderful. He has made many flying trips in the big cities and everywhere he has flown he was considered one of the greatest Aviators ever known. An Exchange, from Atlanta, Ga., says that Mather made a thrilling flight over the city, going at the rate of seventy miles an hour, he drove his machine through the clouds, which soon developed into a mist and rain and he was above the clouds by this time, he became lost and in trying to get back to the field, found himself several miles away. Undaunted by his experience, Mather turned his machine and headed for the city again and could be seen coming out of the clouds in an altogether different direction from where he disappeared. He was wet when he landed and said that he had had some experience. He was in the air just 35 minutes.

The above is only a sample of the many daring stunts that Aviator Mather performs. Mather is described as being a modest young man, and is said to look like a North Carolina native. There are eleven Aviators with the Young Aeroplane Company but Mather is said to be one of the most clever of the bunch.

Be sure and come to THE JOHNSTON COUNTY FAIR and see the loop the loop and Bombs dropped on Smithfield by the famous Aviator.

The Fair this season promises to surpass any we have yet held.

Great efforts are being made to have the Best Exhibits of live stock, poultry, farm and garden products, Pantry supplies, fancy and art work ever seen in Smithfield.

The Midway features with the Merry-Go-Round, the Ferris Wheel, The Whip and other attractions are going to better than anything of the kind ever seen in Johnston County.

A number of Good Horses have been entered for the races and we are expecting the finest racing that we have ever had at our Fair.

We are on the circuit with the leading Fairs of Eastern North Carolina and the Best Features of the other fairs will be seen at Smithfield in November. Remember the dates---

November 7, 8, and 9.

Getting Old Too Fast

Late in life the body is likely to show signs of wear and often the kidneys weaken first. The back is lame, bent and aching, and the kidney action is distressing. This makes people feel older than they are. Don't wait for the worst effects of bad kidneys—dropsy, gravel, hardening of the arteries or Bright's disease. Use a mild kidney stimulant. Try Doan's Kidney Pills. Thousands of elderly folks recommend them.

A Smithfield Case.

Mrs. S. E. Parker, Smithfield, says: "My back ached and pained all the time and in the morning I was so sore and stiff that I could hardly dress myself. The least cold settled in my

kidneys and made my condition worse. Sometimes, I felt a sharp pain when stooping. My kidneys acted irregularly and I suffered from headaches and dizzy spells. Doan's Kidney Pills relieved me of all symptoms of kidney trouble. They strengthened my back and put my kidneys in good shape."
