Dr. Ferdinand King, New York Physician and Medical Author, Says:

EVERY WOMAN EVERY MOTHER EVERY DAUGHTER NEEDS IRON AT TIMES

To put strength into her nerves and color into her cheeks.

There can be no healthy, rosy-cheeked women without iron. The trouble in the past has been that when women needed iron they generally took ordinary metallic iron, which often corroded the stomach and did far more harm than good. Today doctors prescribe organic iron—Nuxated Iron. This particular form of iron is easily assimilated, does not blacken nor injure the teeth nor upset the stomach. It will increase the strength and endurance of weak, nervous, irritable, careworn, haggard-looking women. I had used it in my own practice with most surprising results.—Ferdinand King, M. D. NOTE: NUXATED IRON recommended above by Dr. Ferdinand King can be obtained from any good druggist with an absolute guarantee of success or money refunded. It is dispensed in this city by all good druggists. CREECH DRUG CO., Smithfield, N. C. HOOD BROS., Smithfield, N. C.
