Resolutions for Rev. R. R. Lanier.

Whereas, our brother and co-laborer, Rev. R. R. Lanier, has seen fit to sever his relation with the North Durham Baptist church as pastor; and whereas, in doing so he has accepted the pastorate of the Baptist church at Selma, N. C., thus making his removal from Durham a necessity; therefore, be it resolved by the Durham Baptist Pastors' Conference, this twenty-fifth day of February, 1918.

First, That we hereby express our deep regret at losing him as a member of this conference, of which he was a faithful, loyal and valuable member. As a fellow laborer in the work of our Master he was ever ready to do what he or his brethren deemed was his part. As a pastor he was always loyal to the interests of his church and faithful and efficient in ministering to the needs of the members of his congregation. As a minister he was ever true to the Word of God, never swerving from the truth, but preaching it in its simplicity and beauty. As a friend he was ever glad to put himself to personal inconvenience that some one else might be made happier and another's lot made easier.

Second, That we commend Brother Lanier to the Selma church as one who will be a faithful and efficient leader; and to the town of Selma as one who will make them a loyal and valuable citizen.

Third, That we assure Brother Lanier that our sympathetic interest will ever follow him, and that we wish for him ever increasing success and constantly enlarging usefulness in the work of the Lord, whose he is and whom he serves.

Fourth, That a copy of these resolutions be spread on our minutes, and that copies be sent to the Durham and Selma papers and The Biblical Recorder for publication, and that a copy be sent to Brother Lanier.
