At The Davis Stores

Positively your last chance to purchase goods at these extremely low prices. This sale will positively close Saturday night of this week, as it is impossible for us to keep the goods on sale longer at such low prices.

Our Cut Prices Continue all This Week

Mr. Charles Davis has just returned from a week's stay on the Northern Markets where he went to try to replace some of the goods selling on this sale---but found that he could not replace the goods at anything near the price for which he was selling them---So the sale will positively close Saturday night, March 9th.
