PERSONAL AND LOCAL.

Mr. T. R. Hood attended the Wesley Bible Class Federation at Wilson this week.

Several people of Smithfield attended the Democratic Convention in Raleigh Wednesday.

Mrs. E. M. Hale returned Wednesday from a visit to relatives and friends in Louisburg.

Mr. Troy Myatt, who has been at Horse Cave, Kentucky for the past few months, is at home this week.

The time for registration of voters for the county-wide school election will expire on Saturday, April 20th.

Rev. S. A. Cotton left Monday morning to attend the Wesley Bible Class Federation in session at Wilson this week.

Mrs. H. F. Brinson has returned from her trip to Asheville where she went to attend the Woman's Missionary Union.

Mr. Clyde Pearce, of Micro, is now with the Austin-Stephenson Co. It will be his pleasure to have his many friends call to see him.

Mr. J. W. Narron, who is in training at Camp Sevier, has been spending a few days here with his parents and his wife and child.

This week has given us some of the most disagreeable weather we have had since January passed. It snowed a little here Monday night and again last night.

Mr. Jason Myatt is at home this week spending a few days with his mother, Mrs. Mary Myatt. He is a member of the 156th Depot Brigade at Camp Jackson.

Mr. H. I. Ogburn returned Thursday from Camp Sevier, Greenville, S. C., where he went to attend the trial of private Thomas J. Thorn, who was tried for desertion.

Rev. A. S. Lawrence, of Hillsboro, N. C., will hold services in St. Paul's Episcopal church next Sunday morning and night, April 14th, at the usual hours. Everybody invited to attend.

Mr. Ben. F. Wellons, of Camp Jackson, is here this week on a visit to his parents, Mr. and Mrs. J. W. Wellons. For the past several weeks he has been attending the Officers Training Camp at Columbia.

A number of Smithfield people went to Raleigh Tuesday to hear Secretary McAdoo speak on the Liberty Loan. Those who heard him were greatly impressed with the man who is, next to President Wilson, the biggest man in America today. He is a builder and organizer of the first water.

Among the out-of-town folks who were here yesterday to attend the funeral of Mrs. J. B. Smith, we note the following: Mr. G. I. Smith, Mr. and Mrs. J. Rufus Smith, and Mr. and Mrs. R. E. Smith, of Dunn; Mr. J. M. Lawhon, of Benson; Mr. J. S. Lawhon, Mrs. Bright Bass and Mr. and Mrs. J. L. Lee and children, of Meadow; Mr. and Mrs. W. R. Smith, of Selma; Mr. Allen S. Smith, of Sanatorium and Mrs. Allen S. Smith, of Ahoskie, Mr. and Mrs. D. C. Smith, of Meadow.

Services at St. Paul's.

There will be services at St. Paul's Church Sunday morning at 11:00 o'clock, Morning Prayer and Holy Communion. Evening Prayer and sermon at 8:30. Services conducted by Archdeacon Alfred S. Lawrence, Hillsboro, N. C. Public cordially invited to these services.

The Red Cross Rooms Open at Night.

Until further notice, the rooms will be open every Thursday night at 8:00 o'clock, so that any one who is unable to attend during the day, may have an opportunity to work at night. Every lady is requested to bring her thimble.

SOLDIER BOYS.

In every issue of The Smithfield Herald we are giving pictures and brief sketches of some of the brave young men who have gone forth in the prime of their young manhood to fight the Nation's battles against a foreign foe. Some of our sketches have necessarily been very brief for lack of more information. Those who send us pictures of their sons and relatives and friends will confer a favor and help the cause if they will enclose with the picture such facts concerning the young men as they think will be of general interest to our readers.

Four-Minute Men and Liberty Loan.

Mr. A. M. Noble, chairman of the Four-Minute Men of Smithfield, has arranged to begin the four minute speeches at the Moving picture theatre next Monday night, April 15th. Mr. H. B. Marrow will speak on the Liberty Loan. It is so arranged that no speaker will talk over four minutes at a time. This is a patriotic move and those who attend the movies will hear a patriotic talk between the reels.

"Furnish Some Cows."

A few days ago a man placed an advertisement in The Herald that he had a Jersey milch cow for sale. One day this week we received the following card from him:

"Please take my ad out of your paper, furnish me some cows to sell, or change it to read that I have no Jersey cow for sale. I sold my cow immediately after the first announcement in your paper and could have sold half dozen more."

The Red Cross and the Eastern Star.

The Smithfield Chapter regrets that in the financial report, especial mention was not made of a donation of \$20, made to it by the Eastern Star. The Treasurer included this gift in the item "From all other sources," but the amount was so generous, and the spirit of good fellowship between the two organizations, so pronounced, that we cannot be content without this public acknowledgement and expression of our thanks.

MATTIE T. POU, Secretary.

Teachers Entertained.

Wednesday evening at the home of Mr. and Mrs. T. J. Lassiter, Misses Bertha Cox and Stella Rutherford delightfully entertained the young lady members of the Turlington Graded School faculty. The time was spent in knitting and embroidering, interspersed with music. The selections rendered on the violin by Miss Cox added pleasure to the occasion. Before the guests left they were served with delicious fruit salad, wafers and hot tea.

ROYALL SCHOOL NOTES.

Mr. R. H. Higgins spent the weekend in Smithfield.

Quite a crowd of our people attended the "Pie Party" at Creech's school Saturday night.

Many of our people went to the school closing at Massey Saturday. They report a nice time.

Mr. W. H. Oliver took a flying trip to Smithfield Sunday.

Last Sunday night Mr. Willie Thompson, of Royall, and Miss Mattie Creech, of Creech school, were married. At 6:30 after the marriage they went to the groom's father's home, Mr. S. D. Thompson, where they were met by Mr. R. L. Woodard and Misses Octavia Thompson.

Among those who were at Mr. Thompson's Sunday night were: Misses Laura Young, Annie Beasley, Sallie Braswell, Mollie and Octavia Thompson, Dora Crocker and Omega Creech, Messrs. Tom and Richard Braswell, R. L. Woodard, Edmund Creech and Jim Creech.

We are glad to note that little Miss Azle Daughtry, who has been very sick with pneumonia is improving.

Royall school will close Wednesday 17th. Every one is invited to the commencement Wednesday night.

"TATTLER."

Amusement Company Coming.

The Anderson-Gunn Company, which will open a three days engagement at the Opera House next Monday night, April 15th, comes highly recommended. The Anderson-Gunn Quartette, composed of two boys and two girls, gives several harmony songs which are always well received. The little chap, "Billy Drew," says a Greenville paper, is one of the cleverest child comedians before the footlights. This company carries an orchestra which chases away dull care. The features vaudeville act is Leon Cunn and his Italian squeeze box. See the company at the Opera House beginning Monday night, April 15th.—Press Agent.

CANNING CLUB NOTES

FARM NOTES.

By A. M. Johnson
County
Farm Demonstrator.

CLUB NOTES.

1. If you want to become a member of the canning club, it is necessary that you send me your name before the first of May. After this date you can not enroll.

2. If a woman in a community, where I have not visited will send me the names of the girls who are interested in club work, I will appreciate it very much. This will assist me very much. Because of my late arrival in the county. It will be impossible for me to visit all parts before it is too late to enroll members. I expect to have the clubs so organized that all who are interested can attend the meetings.

3. Club girls, please write me at once if you need tin cans. I must have this information right away in order that I might have an estimate of the number of cans that will be used in the county this year. If you wait until your vegetables are most ready to be canned before you make your order, much will be lost. Because of limited transportation, it is necessary to order cans now in order that they will be here on time. If I can get an estimate as to the number of cans that will be used, I think I can arrange with a local merchant to handle the shipment.

4. If the cold has killed your tomato plants, write me at once and I will send you some seed.

5. Plant your garden now in order that you may get in two crops.

FARM NOTES.

1. Those who want soy beans or cowpeas let me know as soon as possible; \$3.65. and \$3.25 respectively.

2. I have some Biggs two-ear corn also for the boys corn club. This is \$5.00 a bushel.

3. To get rid of cabbage aphids or lice spray them with soap solution; 1 pound of any good laundry soap to 3 gallons of water.

4. For Mildew on roses spray the vines or bushes with 1 to 50 parts solution of commercial lime sulphur in the evening about once a week. "Black leaf 40," sprayed on is good also, and still better when mixed with soap.

5. Boys and girls who have joined the clubs go ahead and start your work and I will send you instructions and get in touch with you as soon as possible.

6. Farmers who want to put in permanent pasture demonstrations next September see me soon about it.

7. Farmers who expect to have Burr clover and Alfalfa demonstrations next September will do well to lime the soil now if it is acid. You can get litmus paper at any drug store to test the soil to see if it is sour. Just put a small piece of it into the wet soil and if the blue paper turns pink in ten minutes the soil needs lime. Then put not less than 2,000 pounds to the acre of ground limestone or marl.

8. When you see a Buick Roadster with a bust of Uncle Sam on the radiator you have the liberty to hail the occupant, the farm demonstrator, and ask him all the questions you like.

BROWN SCHOOL

The weather has been fine for the farmers, some are planting corn and cotton.

Last Tuesday, (April 2) the death angel visited the home of Mr. and Mrs. J. H. Snipes, and claimed their little babe, Edward Odell, aged eleven months. Little Edward had been sick several weeks. The funeral services were conducted by Rev. J. T. Collier. The interment was made in the Crocker grave yard in the presence of a large gathering of relatives and friends. The sympathy of the community is extended to the bereaved. Mr. and Mrs. O. F. Brown spent a few hours in Smithfield Saturday. Miss Annie B. Holland attended commencement exercises at Carter's school last Saturday night.

Miss Effie Brown spent the week end with Miss Eyra Brown at Pine Level.

Last Wednesday night, Mr. R. L. Fitzgerald and Dr. M. Hinnant, of Micro spoke in the behalf of the Savings Stamps at our school. Our school bought and pledged \$176. Glad our community is awaking to a sense of duty. We hope interest will continue.

We are sorry to note the illness of little Thelbert Wall. We hope he will soon be out again.

Our community was disappointed last Friday. The Juniors were to present a flag and Bible to our school but the order failed to arrive in time.

Rev. J. G. Johnson, of Smithfield, addressed the people at 11 a. m. School exercises began at 1:30 P. M. Prof. E. H. Moser, of Selma, addressed the audience in the evening. The exercises were enjoyed by a large gathering of people.

The measles is visiting our district again. It is an unwelcome guest.

A BIG CATCH

There will be no exaggeration in your "fish stories" if you buy our Fishing Tackle. Our tackle will tempt both fish and fishermen. The quality and prices account for this. We can't quote prices here because there are so many qualities and styles, and it's the quality which shows the correctness of the price.
