

Representative in Congress, from the Halifax District, was yesterday elected. On the first and second ballottings Hutchins G. Burton, Montford Stokes, Alfred Moore and Simmons J. Baker, were in nomination. Previous to the third balloting, the name of Dr. Baker was withdrawn, and that of Joseph H. Bryan was added. When the result of the fifth balloting was ascertained, Gen Bryan's name was withdrawn, and that of Isaac Avery was added. On the sixth balloting, the votes were as follows:

Burton,	100
Stokes,	47
Moore,	27
Avery,	16

Electoral Vote of North-Carolina.—The Electoral College of this state convened in the Senate Chamber at this city on Wednesday last, when General Montford Stokes was called to the chair, and Gen. Benj. H. Covington appointed Secretary. The list of Electors was called over, and all answering to their names, to wit:

Montford Stokes, of Wilkes, Robert Love, of Haywood, Peter Forney, of Lincoln, Vine Allen, of Craven, James Mebane, of Orange, John Giles, of Rowan, William Drew, of Halifax, Josiah Crudup, of Wake, Wm. Martin, of Pasquotank, Wm. A. Blount, of Beaufort, Wm. B. Lockhart, of No'n, Ed. B. Dudley, of N.Han'r, Aug. H. Shepperd, of Stokes, W. F. Leake, of Richmond, J. M. Morehead, of Guilford,

a ballot was taken for President and Vice President of United States. On examining the votes, it appeared that they were unanimously for Gen. ANDREW JACKSON as President, and the Hon. JOHN C. CALHOUN as Vice President. Maj. Thomas J. Green, of Warren, was appointed to carry a certificate of the election to Washington City. The College, having gone through the business for which it assembled, adjourned. A gun for each Elector was the fired, and one for the county of Haywood, which had given an unanimous vote for the People's Ticket. We understand, that a public dinner will be given to-day to the Electors.

The Presidency.—Louisiana is the only state remaining to be heard from on the Presidency; and although our returns from Alabama, Mississippi, Indiana, and Illinois, are not complete, yet, from what we have seen, we are satisfied, that in those states, Jackson will only lose three votes, one of which will be given to Mr. Adams, and two to Mr. Clay. Giving Louisiana to Gen. Jackson, of which there seems to be very little doubt, the following was the state of the poll for the several Presidential Candidates, in the respective colleges on Wednesday last,—unless New York should turn another somerset, and bestow her vote in a way that nobody expects:

For Jackson,	161
Adams,	81
Crawford,	40
Clay,	39

Petersburg Rep.

Foreign.—Liverpool Advices to the 30th Sept. have been received at N. York. There is nothing very interesting. It appears, however, that the Greek cause continues to prosper, notwithstanding the left-handed friendship of the British authorities at the Ionian Islands.

Georgia.—The Legislature of Georgia, at its present session, have passed an act to amend the Constitution of that state, so as to give the election of Governor to the people. *Raleigh Star.*

Hyde Park Academy

(PRIVATE.)

THE undersigned, having taken the whole of the buildings and premises at Hyde Park under his immediate superintendance and control, intends to open his ACADEMY again on the 2d Monday in January next, for the instruction of young gentlemen in the following branches of general education, viz:

- I. Rudiments of the Latin, Greek, and French languages.
- II. Geography, including the nature and use of the Globes, with their application to the solution of Geographical and Astronomical Problems.
- III. The Mathematics, viz: The higher branches of Arithmetic, Caldwell's Geometry, Plane and Spherical Trigonometry and Geometry, with their application to the purposes of Astronomy and Navigation. The Mensuration of heights, distances, surfaces, and solids: including Rectangular Surveying, or the method of determining the area of right lined figures, universally or by calculation.
- IV. Natural or Experimental Philosophy, including Astronomy.
- V. Chronology and General History.
- VI. English Grammar, Rhetoric, and Belles Lettres.

In carrying the above plan into execution, the first object of the undersigned, shall be, to qualify his students for an entrance on the establishment of the University of the State, or of any other literary institution in this country. His second, to adopt and firmly adhere to such a mode of government and instruction, as shall secure improvement in science, regularity of conduct, and decency of behaviour, on the part of all who may be committed to his care.

The site of the Academy possesses the advantages of pure water and wholesome air; and being in the centre of a populous neighborhood, board can be obtained on reasonable terms, either with the undersigned himself, or under his recommendation, with decent and respectable families in the vicinity.

The year will be divided into two sessions:—the first to commence on the 10th of January, and end on the 22d of June. The second, to commence on the 10th of July, and end on the 15th of November. The price of Board and Tuition with the undersigned, (bedding excepted,) will be FIFTY-THREE DOLLARS the session—to be paid in advance.

Should circumstances render it necessary, an Assistant will be employed, properly qualified for the instruction of little boys, in the rudiments of education and the minor classics. Communications by mail or otherwise shall meet with prompt attention.
