**Jailor's Notice.**

**TAKEN** up and committed to the Jail of Halifax county, a negro man who says his name is *Gideon*, and belongs to Mr. Richard Taylor, of Granville county, N. C. The said negro is about 5 feet 8 or 10 inches high, dark complexion, and appears to be between 50 and 60 years of age. The owner is hereby notified to come forward, prove property, pay charges and take him away, otherwise he will be disposed of as the law directs.

Dixie C. Fenner, Jailor.

Halifax, 19th Sept. 1826. 5

**Thirty Dollars Reward.**

**RANAWAY** from the Subscriber, on Sunday night, the 12th of March last, a negro woman, named *POLLY*, about 28 years old, nearly five feet high, yellow complexion, spare made, has a mild look and genteel appearance, (for a negro,) when well dressed; she is an expert hand at roguery, and is well calculated to deceive unless tightly and closely examined. She was seduced away by a black free negro, *Carter Newson* by name, a shoemaker by trade, who is about 30 years of age, 5 feet 6 or 8 inches high, thick set, has a pleasant countenance and very white teeth, which he shews very much when speaking or laughing: he is strongly suspected of being a runaway slave. In my former advertisement, I stated that from threats which the wench made prior to her elopement, they would, by changing their names, and getting forged free papers, endeavor to make their escape to some free state: since that time, they have been lurking about Halifax town, in the vicinity of which, they probably are at this time. All persons are forbidden from harboring or carrying off said negro under the penalty of the law. The above reward, with all reasonable charges, will be paid for securing said woman in any jail, so that I get her again, or for her delivery to me.

**Domestic.**

**Freemasons.**—We were in error in some of the particulars relative to the recent transactions at *Batavia, N. Y.* It seems that a Capt. Morgan, a Royal Arch Mason, has been for many years compiling a work on Masonry, or rather in compiling all the secrets and mysteries of the craft, which Mr. Miller of *Batavia* agreed to publish. Capt. Morgan was carried to *Candaigua* on a charge of petit larceny—was released and then imprisoned for debt, and it is a fact that he has been carried off no one knows where, as no account has been received of him. A number of persons have petitioned the Governor to issue a proclamation offering a reward for his discovery. The whole affair is mysterious. Mr. Follet of the *Times* had no participation in the transaction.

**Gambling.**—The following is the copy of an endorsement on a \$20 bank note, lately received by a person in *New-Orleans*:

"This is the last note of \$10,000 lost at gaming in the city of *New-Orleans*: May he or they into whose hands it next falls, turn it to better account than did *D.A.M.*"

**Mails.**—The postmaster general has proposed a change in the carrying of the mail between *Washington City* and *Charleston, S. C.* by which the whole route, 560 miles will be travelled in 127 hours, including 14 hours stoppage.

In the Vice Chancellor's Court, *Great Britain*, a suit lately ended, with the consent of both parties, which had lasted *fifty years*,

The number of illegitimate children born in *Paris* during the year 1825, was 10,224.
