

fully to the voice of Virginia, earnestly and affectionately requesting and entreating them to rescind, or suspend their late Ordinance, and await the result of a combined and strenuous effort of the friends of union and peace, to effect an adjustment and reconciliation of all public differences now unhappily existing, regarding, moreover, an appeal to force on the part of the General Government, or on the part of the government of South Carolina, as a measure which nothing but extreme necessity could justify or excuse in either, but apprehensive, at the same time, that if the present state of things is allowed to continue, acts of violence will occur which may lead to consequences that all would deplore; cannot but deem it a solemn duty to interpose and mediate between the high contending parties, by the declaration of their opinions and wishes, which they trust that both will consider and respect: therefore

1. *Resolved by the General Assembly, in the name, and on behalf of the people of Virginia,* That the competent authorities of South Carolina be, and they are hereby earnestly and respectfully requested and entreated to rescind the Ordinance of the late Convention of that State, entitled, "An Ordinance to nullify certain acts of the Congress of the United States, purporting to be laws laying duties and imposts on the importation of foreign commodities," or, at least, to suspend its operation until the close of the first session of the next Congress.

2. *Resolved,* That the Congress of the United States be, and they are hereby earnestly and respectfully requested and entreated so to modify the acts laying duties and imposts on the importation of foreign commodities, commonly called the Tariff acts, as to effect a gradual but speedy reduction of the resulting revenue of the General Government, to the standard of the necessary and proper expenditures for the support thereof.

3. *Resolved,* That the people of Virginia expect, and, in the opinion of the General Assembly, the people of the other States have a right to expect, that the General Government, and the government of South Carolina, and all persons acting under the authority of either, will carefully abstain from any and all acts whatever which may be calculated to disturb the tranquility of the country, or endanger the existence of the Union.

4. *AND WHEREAS,* considering the opinions which have been advanced and maintained by the Convention of South Carolina in its late Ordinance and Addresses on the one hand, and by the President of the United States in his Proclamation, bearing date the 16th day of December, 1832, on the other, the General Assembly deem it due to themselves, and the people whom they represent, to declare and make known their own views in relation to some of the important and interesting questions which these papers present: therefore

Resolved by the General Assembly, That they continue to regard the doctrines of State sovereignty and State rights, as set forth in the resolutions of 1798, and sustained by the report thereon of 1799, as unquestionably true, and worthy of all acceptance; but that they do not consider them as sanctioning the proceedings of South Carolina indicated in her said Ordinance; nor as countenancing all the principles assumed by the President in his said Proclamation, many of which are in direct conflict with them.

Resolved, That this House will by joint vote with the Senate proceed on this day to elect a Commissioner, whose duty it shall be to proceed immediately to South Carolina, and communicate the foregoing preamble and resolutions to the Governor of that State, with a request that they be communicated to the Legislature of that State or any Convention of its citizens, or give them such other direction, as in his judgment may be best calculated to promote the objects which this Commonwealth has in view, and that the said Commissioner be authorized to express to the public authorities and people of our sister State, in such manner as he may deem most expedient, our sincere good will to our sister State, and our anxious solicitude that the kind and respectful recommendations we have addressed

to her, may lead to an accommodation of all the difficulties between that State and the General Government.

Cholera.—This dreadful pestilence, we regret to learn, has again made its appearance at Nashville, Tenn. Eight cases occurred on the 19th and 20th ultimo; of which three terminated fatally—the others are convalescent. *Ral. Star.*

Masonry.—An act has passed both branches of the Legislature of Rhode Island, without a dissenting vote, and became a law, which imposes a fine of \$100 upon any one who takes or receives a masonic oath in the state, and for a repetition of the offence he is to be forever disqualified from holding any office under the state.

FOREIGN.

Extract of a letter from Liverpool, dated Dec. 22: "It is now quite evident that the stock of Cotton in the ports will at the end of the year be very much larger than they were computed to be, and as all hopes of higher prices have vanished, all the importers have lately been willing sellers. A good deal of Cotton is offering for sale."

West Indies.—A late number of the Jamaica Courant says: "The state of some of the Windward Islands is deplorable. The inhabitants of Trinidad are in a state of excitement bordering on resistance to the constituted authorities. St. Luca is also in a similar condition. The planters and the Governor are at issue. The former appear to spurn with indignation the offer of £58,000 on the conditions imposed—that is, to adopt the Orders in Council, which they declare never can or will be enforced in that colony!"

Mexico.—The Texas Advocate of the 14th ult. published at Brazoria, gives us the following intelligence with regard to the situation of this unfortunate country: "The federal government is dissolved, and we are now without a Constitution. Many of the states have refused to vote for a president, for senators or representatives. This evil cannot be remedied according to the Constitution, before the expiration of the period of four years." A Convention is to be called for the state of Texas, for the purpose of framing and adopting a provisional Constitution.

DIED,

At Washington, Beaufort county, on the 2d inst. Mr. Robert Tannahill, of New York, and formerly a resident of the former place.

In the town of Williamsborough, on the 8th ult. in the 81st year of her age, Mrs. Ann C. Vaughan, after a long and painful illness, which she bore with Christian fortitude. Often she was heard to say that she was perfectly willing to leave the world whenever it pleased God to take her, for she was satisfied that she had made her peace with God, and believed that she would leave all her troubles behind and go to rest. She has left a number of relations and a large circle of acquaintances behind to mourn their irreparable loss. She was a kind and hospitable lady, a good neighbor, a good mistress, and a true friend; and perhaps no person more affectionate to the poor than she was.—*Oxford Exam.*

In Johnston county, on the 8th inst. Mrs. Elizabeth Pearce, widow of the late Jesse Pearce, aged as near as can be ascertained, 111 years.
