DEAFNESS.

REMEDY therefore is to be had of Dr. GREEN, Reading and Bethlehem, State of Pennsylvania. 'Tis to be taken inwardly. 'Tis innocent and cures by strengthening the nerves. As many, many cases of deafness are caused by nervous weakness, consequently, people of this class soon get their hearing again. Persons can live as usual; can eat and drink what tastes best, moderately, therefore it will be more of a pleasure than a task to use the remedy.
For *Five Dollars* a sufficiency is sent for two persons, per mail free of postage, and is so sent on, from time to time, if necessary, until a cure is performed without any additional charge. The five dollars are merely considered as a friendly reward for the Doctor's time and mental labor that he devotes to his applicants; and out of which the postage of all letters are also paid. No charge is made for the cure. No; when people get their hearing again it can't be paid with money. Let such people offer up prayers to God, and not to the physician; for it is to him that praise is due, not to man. The farmer giveth seed to the earth, but a kind Providence giveth harvest. So, on similar principles, the physician giveth remedy to the sick, but that same kind Providence giveth health. Let us be thankful.
HEARING RESTORED.
Mr. Printer: "Whatever has a tendency to lessen the sum of human misery ought to be published, and made known to the distressed, and to the sick."—Extract from Dr. Franklin's works.
York County, State of Pennsylv.
vanian, September 23, 1831.
Dear Sir: I have been informed of your helping those that were troubled with Deafness, and as I have, for fifteen years past, been more or less troubled with this affliction; and by the information I have of your honor and good sense, I put complete confidence in sending money to you, and expecting not only an answer, but help also. I have heretofore heard much about such a man as you, but never saw the person who had received any benefit from your medical skill, until Mr. John Chandler, one of our neighbors, after using your remedy, has got his hearing again as good as ever, and by him learning where you live, I make bold in addressing you in hopes that I may receive the same help, and get my hearing again also, as my neighbor Chandler did. I send a bank note, and wish you would do as well to me as you have done to others. Do, try your best, and make me hear again as I and all our neighbors have such great faith in what we've heard and seen. Your friend and well wisher,
A. H. TISSANY.

To Doctor GREEN, Reading, Pa. N. B. Some folks in our parts, have had their eye-sight restored, through the strengthening virtue of the same remedy that restored the hearing of John Chandler. This gives us additional hopes of help.
Editors who publish the above will be entitled to the Remedy, for their kindness, as, at times, some of their neighbors may be in distress and want some.

MARION is a beautiful dark bay, black mane and legs, full five feet two and three quarter inches high, stands well on his feet, and for beauty, elegance of carriage, symmetry of form, and purity of blood, he is surpassed by none, and equalled but by few.

PEDIGREE.

MARION was sired by old Sir Archie, his dam by old imported Citizen, his granddam by imported Aldermam, his g. g. dam by the celebrated (Ashe's) Roebeck, his g. g. g. dam by the late Col. Hestbert Hayne's King Herod, his g. g. g. g. dam by the imported horse Partner.

HE is descended from the very best stock both of this country and England, his get are large, likely, much admired and selling at high prices. Maria West sold for \$1750, Z A for \$2,000, besides others at \$400 and \$500. Those who wish to raise thorough breeds would do well to patronize Marion. His whole stock were runners of the first order. He was full brother to the celebrated colt Pawnee, and his dam was full sister to the dam of Shawnee, who was without doubt one of the best horses of his size ever raised in this country. A Card,

New and Fashionable

Tailoring Establishment

RALEIGH, N. C.

Opposite E. P. Guion's Eagle Hotel

THE Subscriber, desirous of extending his business, and ever willing to comply with the solicitations of his friends and patrons, has opened the above establishment under the superintendence of a foreman, recently from Philadelphia, where he has conducted one of the first stores in our line, and stands unrivalled in the abilities of the trade. The Subscriber has also engaged several workmen from the North, who are not to be excelled by any. He further begs leave to state that he has become a regular correspondent with E. MINISTER, of London, from whom he will receive the latest London and Paris fashions by the first arrivals. He also intends furnishing the above establishment with a general assortment of *Superfine Cloths, Cassimeres and Vestings*, together with a great variety of *Shirts, Bosoms, Cravats, Collars, Stocks, Gloves and Suspenders*, all of the first quality; which being purchased for cash in New York, he will be enabled to furnish to order on the most reasonable terms. With the above advantages and the superiority of his goods, his unremitted attention to business, and the punctuality of his word, he hopes to obtain a sufficient share of public favor to warrant his long continuance; and, if prejudice has not gone beyond the reach of abilities, to supersede the necessity of his fashionable fellow-citizens sending to the North for clothing, which is attended with many disadvantages—the uncertainty of transportation, cutting by imagination, and the liability of imposition. Gentlemen furnishing their own goods, will have every attention paid them. Ladies' habits and military and fancy work of every description executed in the neatest style and according to order. Travellers and others may be furnished with a suit complete in twelve hours notice. Early in the fall will be found on hand a general assortment of ready made clothing, suitable for the season.
