

turn from the Board is in such form as to prevent any delay in the payment of the claims at the Treasury. We learn, also, that the whole amount of claims presented and acted upon by the Board, was between three and four millions of dollars. The amount allowed is \$2,151,425—and the amount to be distributed among the claimants is \$670,564 78 cts. so that the claimants will receive thirty-one and one-eighth per cent. upon the sums allowed to them respectively.

**The South Carolina Convention.**— Benjamin W. Leigh, Esq. the Commissioner on the part of Virginia to South Carolina, arrived in this city on Saturday last. He left Columbia after the Convention adjourned on Monday, the 18th—and brings with him copies of the Ordinances which they have passed. We are happy to perceive, from the debates in the Convention, particularly from the speeches of Messrs. Hamilton, O'Neale, and Richardson, that a more conciliatory spirit begins to appear in the two parties—and we understand that there are hopes of returning tranquility and of a kinder feeling in the bosom of that long distracted State.—*Richmond Enq.*

The Hon. Thomas Newton, of Norfolk, who has been so long a Representative in Congress as to have acquired the title of *Father of the House*, has addressed a valedictory to his constituents, declaring his intention to retire to private life.—*Fay. Obs.*

**A Foundling.**—The Washington Union of last Saturday says: Such things have been by no means uncommon, we understand, in larger towns or cities, from the days of Tom Jones down to the present era. But in our smaller towns or villages, we had been led to believe, (having but little experience in such matters,) it was a *rara avis*. Early yesterday morning, notwithstanding the inclemency of the weather, some inhuman parent deposited a fine little boy, as we are told, at the door of a very respectable family in this town; but before any of the inmates had arisen, a gentleman, who was passing, with a degree of humanity creditable to his heart, rescued the innocent outcast from perishing, and sent it to his own house.

**The Cholera.**—By a late statement in the papers, it appears that the Cholera continues its ravages in Nashville, Tennessee, and that it exists to a distressing extent in other parts of the State.

**Cholera.**—The Gallatin (Tenn.) Union of the 8th ult. says: We are informed, by a gentleman direct from the neighborhood, in whom implicit credit may be placed, that seven severe cases of the Cholera had occurred in the family of a Mr. Tribew, in the north west part of this county, 12 or 15 miles from this place, three of which proved fatal within a very short time. The eyes of one are said to have burst.

**Cholera at Havana.**—A letter of the 6th ult. from an American gentleman at Havana, says the excitement there on account of the Cholera was very great. The number of cases on board the vessels had been small; but on shore the number of deaths had been variously estimated at from 100 to 150 per day; principally among the blacks.

**Criminal Trial.**—At the recent term of Surry Superior Court, Charles Stokes was found guilty of burglary, in entering the dwelling of Sarah Lambert with intent to steal and murder, and sentenced to be hung on the 5th April.

At Orange Superior Court last, a bill of indictment was found by the Grand Jury against an individual of the name of Whitesides, who is said to be worth four or five thousand dollars, for stealing from the store of Messrs. Kirkland & Son, of Hillsborough, two buckles of the value of six pence.

William Turner was arraigned at the bar, on an indictment for having murdered his own mother in a most brutal manner—he plead not guilty, and stated that

he killed her, believing that she was a witch. He was acquitted on the ground of insanity.

**Forgery.**—Some rascal succeeded not long since, in getting possession of \$6000 United States' Bank money, from the branch in New York, by forging the signature of S. & M. Allen to two checks, one of \$1000 in favor of Rev. G. Spring, and one of \$5000 in favor of Hon. Richard Riker. The latter was enclosed in a letter purporting to be written by Mr. Riker, stating that he was detained in court, and requesting the check paid to the boy, which was done. The signature of S. & M. Allen was a pretty good imitation.

**A good round Debt.**—It appears from the documents printed by Congress respecting the bad debts of the United States Bank, that Smith & Buchanan, of Baltimore, owe the Bank, as principals and endorsers, the pretty little sum of \$1,090,000. This immense amount was lost prior to 1820.

At a late Court in Licking county, Ohio, a woman named Eunice Day, was tried on a charge of having poisoned her former husband Abraham Burwell. It appeared from the testimony, that she purchased arsenic, that shortly after deceased eat alone, was taken sick, died, and was buried in Muskingum county, where they formerly lived, and had children buried: that shortly after she married Day, who was also imprisoned as an accessory; that a quarrel between Day and his wife ensued, in which Day charged her with poisoning Burwell, to which she replied, "Well, if I did kill him, you gave me the money to buy the poison." Suspicion was excited, his body was raised, examined, and physicians pronounced that his stomach contained arsenic. It also appeared that she and Burwell had not lived peaceably, and that he suspected an improper intimacy between her and Day. The jury returned a verdict of *not guilty!* and they were both discharged.

**DIED,**

In Newbern, on Friday the 22d ult. in the 69th year of his age, Edward Graham, Esq. On Monday the 18th, he was struck down by an attack of paralysis, and continued deprived of speech and sensibility until he breathed his last sigh. He was an eminent lawyer, and had been appropriately styled the Father of the Newbern bar.

—\$20,000

When the Commissioners named in the Act of Assembly authorizing the above Lottery, shall have disposed of the Tickets and appointed a day for the drawing, they will, in order the more effectually to secure public confidence in their proceedings, surrender the entire management of the business to the following gentlemen, under whose direction the Lottery will be drawn, (viz:) John Watkins, Esq. of Duplin, Hardy Bryan, Esq. of Jones, Hon. Richard Dobbs Spaight, of Craven, Col. Blount Coleman, of Lenoir, Gen. Wyatt Moye, of Greene, and Richard Washington, Esq. of Wayne county. And in case either of these cannot attend, to such gentlemen as he or they may designate from their respective counties. As a Board of Managers, it will be their province to choose their Clerks, who shall be sworn to keep faithful records of the drawing; they will also select the boys to whom shall be assigned the business of drawing the tickets and numbers from the wheel; for which services the Commissioners will allow the necessary compensation.

The drawing will be conducted on the old and popular mode, by placing the Prizes and Blanks in one wheel, and the numbers in another. Fifteen per cent. will be deducted from the Prizes, and the fortunate adventurers will receive payment upon presentation of their tickets, immediately after the drawing, or at any time within twelve months thereafter.

The Bridge when completed will be free for all persons who may pass it—and the route to Newbern across this Bridge, is as near for persons living above as the present stage route, and will be the means of avoiding nine miles of deep sand. It will also be in the direct route from Wilmington to Tarborough.

It is the wish of the Commissioners to accomplish the drawing on the 4th July next, in the town of Kinston, Lenoir county. If the sale of the tickets should enable them to do so, timely notice of the fact will be given in the newspapers in order that as many as may wish to witness the drawing may attend for that purpose.

It is hoped and earnestly requested that the gentlemen to whom tickets may be forwarded for sale, will use early and diligent means to dispose of them—and that all persons who are disposed to patronize the work will do it at an early day, as the Commissioners are desirous of calling on the Agents or vendors of tickets about the 1st of June for settlement, so as to enable them to prepare for drawing on the 4th July.
