

Severn had been out of town in his gig, and when returning, had occasion to drive across the Rail Road. Perceiving, however, the locomotive advancing, he checked his horse until it should pass. Unfortunately the noise of the steam and machinery alarmed the animal; and when the locomotive was close at hand, notwithstanding the efforts of Mr. Severn, it attempted to rush across. The engine overthrew the horse and gig, and so injured Mr. Severn that he expired in the course of a few minutes. The horse was killed instantly.

In Providence, R. I. a few days since, a little child swallowed a cent which had been given to it by its father. Dr. Richmond was called in and gave the child an emetic, when the cent was thrown from its stomach!

Ireland.—Considerable excitement prevails in Philadelphia, among the friends of Ireland, in consequence of the bloody measures about to be adopted by the British government in relation to that oppressed country. They have held large and respectable public meetings; revived the Society of Friends of Ireland in that city; resolved to present an address to the people of Ireland, strongly expressive of their condolence and heartfelt sympathy with them on the oppressive system to which they are to be subjected, and their determination to do whatever can be done, to aid and sustain them, without a violation of their duties as citizens of the United States; and also to address the friends of freedom in Great Britain and Ireland, conjuring them to strain every nerve to procure, as early as possible, a repeal of the odious law in question; and expressing their approbation of the wisdom, prudence and perseverance, with which the illustrious O'Connell and his patriotic associates have labored for a peaceful restoration of the rights and liberties of their country.—*Raleigh Star.*

Breach of Promise.—In the city of New York, a few days since, George Weeks, a "respectable widower of sixty and upwards," was fined in the sum of two thousand dollars, for running away with the heart of Hannah Elbert, a spruce spinster of 23, without taking the body also, as the said Hannah desired.

FOREIGN.

Latest from Europe.—The ship *Chas. Carroll*, from Havre, and the barque *Science*, from Glasgow, have brought Paris dates to the 22d, and London to the 24th of March. The Cotton market at Havre had improved a shade in price—at Liverpool the market was brisk and prices remained unchanged.

FRANCE.

Havre, March 24.—The estafette from Paris, brings news of Gen. Solignac having taken 600 prisoners, in a sortie from Oporto—and that the Egyptian army, by the latest accounts, was marching on Constantinople. Canning's negotiation has failed—the Spanish government is not disposed to join England and France against Miguel. The eternal Dutch and Belgian question is still unsettled.

The question of abolishing negro slavery in the colonies of France, has been opened in the French journals, and touched in the Chambers. It is not improbable that the example of Great Britain, on this subject, whatever it may be, will be followed in France. The French ministry have passed a bill, that places all free people of color upon a footing of political equality with the whites.

ENGLAND.

The Glasgow Guardian of the 26th says: The Irish Disturbance bill passed through the Committee on Friday night.

Dungarvon, March 19.—By accounts received from Youghal, a melancholy loss of lives took place on Saturday, by the upsetting of two market boats, near Cable Island, which caused 52 human beings, men and women, to meet a watery grave. They were on their return home to the neighborhood of Ballycotton, having gone to Youghal that day to get gold for bank notes, which also went

in the deep, leaving a number of orphans in a state of wretchedness and starvation.

The brig *Sultana* arrived at Baltimore on the 23d ult. in 55 days from Rio de Janeiro, which place she left on the 24th Feb. Capt. Willis states that prior to his sailing, two English ships had arrived at Rio de Janeiro, having on board about 70 persons, whom they had picked up at sea. From their statement, it appeared that the British ship *Britannia*, bound from England to Van Dieman's Land, with upwards of 200 convicts on board, accidentally took fire at sea, while the mate was drawing liquor from a cask in the run, and burned to the water's edge. More than 100 persons, men and women, perished in the flames. After the vessel took fire, the crew and some of the passengers constructed rafts, on which about 70 embarked, and were fortunately saved from a watery grave by the timely approach of the two vessels above alluded to.

Cholera at Havana.—A letter from Havana of the 2d ult. received at Providence, says: "The distress of all classes in the city, beggars all description. It is estimated that 15,000 persons in the city and suburbs have been cut off by the epidemic. Shocking accounts continually reach us from the country, and the grinding has been entirely suspended on some plantations, in consequence of the death of vast numbers of the negroes."

\$25 Reward.

RAN AWAY from the Subscriber, about six months since, a negro woman named *COARTNEY*—she is about 5 feet 6 inches in height, very black, and about 30 years old. I have no doubt she is lurking about Sparta and Mrs. Hunter's, near Tarborough. I will give \$25, if she is delivered to me in Stantonburg, or confined in any jail in the State. All persons are forbid harboring or employing her under penalty of the law.

WM. STEWART.

Stantonburg, April 26th, 1833. 36-3

\$25 Reward.

RAN OFF from my plantation on Toisnot, Edgecombe county, on the 19th inst. a negro man named

BRYANT,

22 or 23 years old, 5 feet 9 or 10 inches high, stout built, quite yellow for the appearance of his hair which is as knotty as the negro's usually is, has long lips, large feet and long toes, has a down look when spoken to, had on when he went off dark clothes and a black furred hat. He will probably lurk about Dr. Hall's plantation near Tarborough, where his father and mother are, until he can procure free papers to pass to a free State, as he has done the like before. I will give the above reward to any person who will confine him in some jail within this State so that I get him again, or deliver him to me in Stantonburg.

WILLIS HAMMONDS,

Aged about 16 years, tolerably stout built, bright complexion and bushy head. His grandmother is a free woman named *Olive Hammonds*, and lives in Halifax county, where I expect Willis will try to get, as he has several other connections in that county. Said boy stole his indentures, and will probably try to pass himself with them as free. The above reward will be paid for his recovery, if delivered to me, in Edgecombe county, near Col. Benj. Sharpe's, or secured in any jail so that I can get him. All persons are forbid harboring or employing said boy, under penalty of the law.
