ATTACKED BY AN EAGLE

One day last week while Mr. Dol Tyndall and his little 8 year old son, were plowing in the field a Bald Eagle attempted to bite on the boy. But Mr. Tyndall seeing the Eagle going for the little fellow grabbed his take pole and frightened him off. And the boy was not hurt by the Eagle.

Mr. Tyndall says he intended to take as large, if not larger, than a large size turkey gobbler, and that he is satisfied it was a Bald Eagle.

"I had piles so bad I could get no rest nor find a cure until I tried DeWitt's Witch Hazel Salve. After using it once, I forgot I ever had anything like piles." E. C. Boice, Scamers Point, N. Y. Look out for imitations. Be sure you ask for DeWitt's, C. D. Carstarphen, & Co.

Spring coughs are specially dangerous and unless cured at once, serious results often follow. One Minute Cough Cure acts like magic. It is not a common mixture but is a high grade remedy. C. D. Carstarphen & Co.

TRIED TO BURN THE TOWN (Scotland Neck Commonwealth) Charlie King, a man who came here a few weeks ago, opened a laundry under the sign of Sing Lee of Farboro for whom he worked was arrested Saturday night and placed in the lock up. He poured oil in places in his own shop on the steps of Keel & Roberson's bar and was in the act of putting a match to it when he was discovered and prevented. It is said he was crazed by drink and opium.

You cannot enjoy perfect health rosy cheeks and sparkling eyes if your liver is sluggish and your bowels clogged. DeWitt's Little Early Risers cleanse the whole system. They never gripe. C. D. Carstarphen, & Co.

An Elopement (Scotland Neck Commonwealth) A few days ago there was some excitement at a few miles in the county as a result of the elopement of a white woman named Baker, with a colored man named ginger. Baker, named Baker, it seems that Baker moved to near Longwood in this community about the first of the year. A few days ago Mrs. Baker and the negro both became missing and nothing more has been heard of them.

A Testimonial From Old England. "I consider Chamberlain's Cough Remedy the best in the world for bronchitis," says Mr. William Savory, of Warrington, England. "It has saved my wife's life, she having been martyred to bronchitis for over six years being most of the time confined to her bed. She is now quite well." It is a great pleasure to the manufacturers Chamberlain's Cough Remedy to be able to publish testimonials of this character. They show that great good is being done, pain and suffering relieved and valuable lives restored to health and happiness by this remedy. It is for sale by N. S. Peel & Co.

An Irishman's Challenge It is always fair weather with the east winds of the Emerald Isle. The tourist may be drenched to the skin with the wettest of rain; but every native he meets will assure him that it is "a fine day."

It is only when an Irishman takes his pen to write that he numbers something beside the sunny hours, as in the effusion below which is marked by rather incoherent scribbles: Ditty days in the month of April, June and November from January up to May. The rain it rains every day. All the rest have their own ways. A fine day of the month and time. They'd be just as wet and twice as dirty.

Not all well-dressed men are dressed by The Royal Tailors, CHICAGO, U. S. A.

Hypnotism has been quite the rage here for some time but we have just discovered that it may be made more useful than ever. Some afternoon ago a young lady had a young man hypnotized and said she intended putting him to washing the windows. We have heard of young ladies hypnotizing young men before but this is a new service she was to put him to and if hypnotism can be used to make some people work then the half of the blessings it will bring have not been told.—Washington Progress.

Those famous little pills, DeWitt's Little Early Risers will remove all impurities from your system, cleanse your bowels, make them regular. U. D. Carstarphen, & Co.

An editor died and slowly wended his way to hell. The devil met him and said: 'For many years hasst thou borne the blame for the errors thy printers have made in the paper the printer have deviled thee on Saturday ere for wages when thou hadst not a red to thy name. Men have taken thy pay without paying a cent, yea, verily, and cursed thee for not issuing a better one thou canst not come in. In this place there will be a continual dunning of delinquent subscribers (hell is full of them) and the sad wailings of the town killers will be lik unto an amateur brass band playing a dirge in rag time. Begone! Heaven is your home.'—Lexington Dis, etc.

Skin troubles, cuts, burns, scalds, and chafing quickly heal by the use of DeWitt's Witch Hazel Salve. It is guaranteed. Be sure you get DeWitt's. C. D. Carstarphen & Co.

PETERKINS IMPROVED COTTON

A valuable variety, largely grown in South Carolina and Georgia, and in great favor. It is a prolific, well-limbed, open growing variety, characterized by its small seed, and yielding nearly 40 per cent. of lint. The gross yield per acre compares with other leading varieties, while the net yield of lint per acre exceeds other sorts. The staple is equal to best grades of upland, full length, strong and even. Bears drought better than the common cotton, and is not easily blown out by wind.
