### Tuesday's Game.

HOME TEAM VICTORIOUS.

First Came of the Season Result in a Score of 5 to 2.

One of the most beautiful games of baseball ever witnessed on on diamond was played Tuesday after noon between Williamston and Greenville. Clean, full of excitement, and startling features, marked by that serenity which should always characterize good ball playing was in evidence throughout the

The locals, whose courage can never be daunted, went on the grounds full of sanguinity and they had their hopes realized, when, after a hotly contested game, they had victory to perch on their banners in the score of 5 to 2. The locals went first to bat with their crack-player, the veteran, A. T. crawford, first man up who scored the only run of the inning.

The visitors came up with determination plainly visible, but, alas, they couldn't find the ball.

There was not another run made on either side during the first four innings, and looked as if goose eggs were everything yn the bill of fare. There was some beautiful playing during this time, Hobbs in the box for the locals allowed the visit

ors only one bit. Jordan's arrival during the forth inning was hailed like that of a Roman Conqueror. He was put in Miss Lula Staton, of Kelvin thebox in the 5th inning and pitched good ball until the fluish, only one hit being made by the visitors.

There was some good work in the returned Saturday from Chapet field by the visitors, a double in the 5th by Sngg, Woodard and Whit ne y being one of the most beautiful features of the game.

The visitors in the 5th inning secred one run on Hobb's error at tralizing and erad cating this poison 3rd. Skinner's run in the 7th was and destroying the craving for ins visiting her daughter, Mrs. T. II. disputed by the locals, alledging that toxicants. Sufferers may now cure he was out by interference; but allowed him to score in order not to terminate the game

Cook's catch of a fiv, with the volicity of a cannon ball, in the 5th, after many years of close study and Taylor's long run for a high fly in the 6th, brought the rooters to their feet and such rooting is hard to deseribe, at least, in this account,

Biggs on first did excellent work for the locals, in the 6th inning retiring the side single handed; his two-bagger in the 7th scoring two runs was another feature of the

Sitterson behind the bat sustained his aeputation as a catcher.

In the 7th the locals jumped to Forbes for two doubles and two singles, scoring 4 runs.

Woodard, second baseman for Greenville, burt his left shoulder very badly in the 7th sliding to sec ond. He was attended by Dr. Har a cup of tea or coffee without the rell and sent to the hotel Duke was substituted.

In the 8th, Sugg. the crack pitcher of Kinston, went in for the vis itors and was a puzzle for the home boys, not allowing them another run during the game.

Jordan struck out 9 men in the last three innings.

The playing of Capt.Smith at 3rd base, Sugg at short, Skinner at 1st free will. DO NOT WALL. Do not White in left field, was exception be deluded by apparent and misally good. The only real weak point of the Greenville boys was in bat-

Mr. S. W. Harrell, the umpire displayed that usual impartiality which he always shows in this re
