MILLIONS USE CUTICURA SOAP

Assisted by CUTICURA OINTMENT, for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, for baby rashes, itchings, and chafings, and for all the purposes of the toilet, bath, and nursery. Millions of Women use CUTICURA SOAP in the form of baths for annoying irritations, inflammations, and excori-ations, for too free or offensive perspiration; in the form of washes for ulcerative weaknesses, and for many sanative, antiseptic purposes which readily suggest themselves to women and mothers. No amount of persuasion can induce those who have once used these great skin purifiers and beautifiers to use any others. CUTICURA SOAP combines delicate emcllient properties derived from CUTICURA, the great skin cure, with the purest of cleansing ingre-dients and the most refreshing of flower odours. No other medicated soap is to be compared with it for preserving, purifying, and beautifying the skin, scalp, hair and hards. No other foreign or domestic *toilet* soap, however expen-sive, is to be compared with it for ull the purposes of the toilet, bath, and nursery. Thus it combines in ONE SOAP at ONE PRICE, the best skin and complexion soap, and the BEST toilet and baby soap in the world.
