WASHINGTON LETTER

(From our regular Correspondent)

Washington, July 22nd, 1901.

The Sampson-Schley controversy is again raging like a house afire. Conservative friends of both regret this, but if it leads to a Congressional investigation that will bring out the rear facts which now seems probable, it may do good by preventing future revivals of the controversy.

The Post Office department means business in its fight to shut fake publicans out of second class mail. The orders of the Postmaster General, calling attention to the law and declaring that it must be enforced, has been followed by a circular letter from the Third Assistant Postmaster General, telling postmasters that their bonds men will be held responsible for any loss to the government on account of their failure to strictly enforce the law.

Hon. Joaquin Bareda, who was for 18 years a member of the Cabinet of President Diaz of Mexico, and who will be again in his health improves as much during his travels as he hopes, is in Washington. In a conversation at the White House, a gentleman who had just been introduced said some thing about how much the welfare of Mexico depended upon the health of President Diaz.

The piles that annoy you so will be quickly and permanently healed if you use DeWitt's Witch Hazel Salve. Beware of worthless counterfeits. Greenville people are asking the A. C. L. authorities for a better schedule and a Sunday train.

You can never cure dyspepsia by dieting. What your body needs is a plenty of good food properly digested. Then if your stomach will not digest it, Kodol Dyspepsia Cure will. It contains all of the natural digestants hence must digest every class of food and so prepare it that nature can use it in nourishing the body and replacing the wasted tissues, thus giving life, health, strength, ambition, pure blood and good healthy appetite.

The warrant officers in the navy, whose status is about that of non-commissioned officers in the army, are not falling over each other in their eagerness to put application to take the examination prescribed by the navy Department, the successful passing of which will give them commissions as Ensigns. It was in connection with this examination that Rear Admiral Sampson wrote the fool letter about Gunner Morgan, who is barred by age from taking the examination.

doing more warrant officers to apply. Old warrant officers, when they can be got to talk, tell a different story. They say that the bright young fellows in the service know that their lives would be made a standing torture by the other commissioned officers should they succeed in passing the examination and getting a commission, and wisely decided not to make the effort.

Germany seems determined to do everything in its power to hamper, and consequently to lessen American trade with that country. U. S. Consul Warner, at Leipzig says in a report to the Department of State that it is reported the Reichstag will pass a law compelling American exporters to Germany to make out invoices covering the shipments which must be authenticated by the German Consul in the U. S. in whose district the goods are produced.

CURE FOR CHOLERA—NEVER KNOWN TO FAIL

During last May an infant child of our neighbor was suffering from cholera infantum. The doctors had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days the child had fully recovered. The child is now vigorous and healthy. I have recommended this remedy frequently and have never known it to fail.

The Guessing Contest closes Wednesday, July 31.

THE BEST REMEDY FOR STOMACH AND BOWEL TROUBLES

"I have been in the drug business for twenty years and have sold most all of the proprietary medicines of any note. Among the entire list I have never found anything to equal Chamberlain's Colic, Cholera and Diarrhoea Remedy for all stomach and bowel troubles." O. W. Wakefield, of Columbus, Ga. "This remedy cured two severe cases of cholera morbus in my family and I have recommended and sold hundreds of bottles of it to my customers to their entire satisfaction. It affords a quick and sure cure in a pleasant form. No family should be without it. I keep it in my house at all times. For sale by N. S. Peel & Co.

For Coughs, Colds, Asthma, Croup, Hay fever, Hoarseness and Whooping Cough it is the quickest, surest cure in the world. It is sold by N. S. Peel & Co., who guarantee satisfaction or refund money. Send us your guess.

"I am indebted to One Minute Cough Cure for my present good health and my life. I was treated in vain by doctors for long trouble following lagrippe. I took One Minute Cough Cure and recovered my health!" Mr. E. H. Wise, Madison, Ga.

Guesses are coming in rapidly. You had better send in your guess now or you will be too late.

A POOR MILLIONAIRE

Lately starved in London because he could not digest his food. Early use of Dr. King's New Life Pills would have saved him. They strengthen the stomach, aid digestion, promote assimilation, improve appetite. Price 25c. Money back if not satisfied. Sold by N. S. Peel & Co.

WHITE MAN TURNED YELLOW

Great constipation was felt by the friends of M. A. Hogarty, of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was Yellow Jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful Stomach and Liver remedy and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all stomach, Liver and Kidney troubles. Only 50c. Sold by N. S. Peel & Co.

A WORTHY SUCCESSOR.

"Something New Under The Sun." All Doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acid used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH has at last perfected a treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH, by removing the cause, stopping the discharge and curing all inflammation. It is the only remedy known to science that actually reaches the affected parts. This wonderful remedy is known as "SNUFFLES THE GUARANTEED CATARRH CURE" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full months treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It also cures inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD. CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" THE "GUARANTEED CATARRH CURE".
