AN AWFUL ACCIDENT.

Last Tuesday evening Mr. Thomas Peel, a nephew of Mrs. R. S. Critcher, while working at Mr. Critcher's gin, accidentally got his hand caught in the gin which at once drew him into the gin with such force as to stop the gin, which was running at a high speed. It took six men half an hour to get him loose from the gin, which had to be damaged quite seriously to get him out. The hand and the whole arm, to his shoulder, was literally torn to pieces and the bone broken into fragments.

Doctors Harrell, Knight and Smithwick were called in and amputated the arm. He received a severe cut on the head and quite a number of slight cuts on the body, besides was bruised considerably.

At last accounts he was doing wonderfully well and bids fair to make a recovery. It is still too soon to tell what will be the result.

NO NOXIOUS DOSES. NO WREAKING OF THE NERVES. A PLEASANT AND POSITIVE CURE FOR THE LIQUOR HABIT.

It is now generally known and understood that Drunkenness is a disease and not a weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS!! CHILDREN CURE YOUR FATHERS!! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "CURE" administered by loving friends and relatives without their knowledge in coffee or tea, and believe to-day that they discontinued drinking of their own free will. DO NOT WAIT. Don't be deluded by spurious and misleading "improvements." Drive out the disease at once and for all time. The "HOME GOLD CURE" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effective than others costing \$25 to \$50. Full directions accompany each package. Special advice from skilled physicians also requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept. BRINKLEY & HOOKER

RUN

The Southern Warehouse, ROBERSONVILLE, N. C.

This is the place, and we are the people to sell your TOBACCO.

Farmers, why do we say this?

First, We admit we are not one of the large markets; but, ask judges where is the best prices, and competent judges will tell you on Small Markets. Again our competitors are telling you that we will have no buyers, and that they will soon shut us up, that we can't sell tobacco. Who are these people? are they friends of you farmers.

No! without contradiction, we say no. They are straining every nerve to close up the market at your door. Does this look to you like combination? Stop and think, we say it does. Close this market and where is your competition? It seems ridiculous to us to see such statements made to farmers as

are being made by our competitors, but they are wise, and their wisdom is only being exercised for their own benefit and not for you farmers. We stand out boldly, and are determined to fight anything that tends towards combination. We will stand by you, if you will stand by us.

They remind us of the old story of the Coon. They have nice things to say now, but we warn you it is the same old Coon, except, instead of one more stripe, they have rubbed off one.

Farmers, you wan't competition for your tobacco.

You can only Get it by standing by our Market

We assure you we are in earnest; we will fight this thing to a finish; if we don't succeed, farmers you contribute to our defeat
