Mr. W. H. Leggett is preparing to build a house on Academy St. on the lot adjoining the property where he now lives.

The editor regrets very much that he is again forced to leave out an article that one of his subscribers asked to be published.

Notice the daily Bulletin of N. S. Peel & Co. An expert artist has charge of bulletin and gives new pictures to the public daily.

The South Carolina Inter-State and West Indian exposition will open Dec. 2, 1901. The principal opening oration will be delivered by Senator Chancery M. De-
pew of New York.

The entertainment at the Opera House Monday evening, by Prof. S. M. Gregory, the old-time Southern comedian and noted Banjoist of Lee's Army, was well attended. The audience was highly pleased with the performance.

A couple of gentlemen were in town last week prospecting. We understand that these gentlemen were very favorably impressed with the location, and think the old R. R. wharf an ideal site for the kind of plant they would put in; a veneer factory using principally poplar and gum logs. We are sure they cannot better the location.

"I had long suffered from indigestion," writes G. A. LeDeis, Cedar City, Mo. "Like others I tried many preparations but never found anything that did me good until I took Kodol Dyspepsia Cure. One bottle cured me. A friend who had suffered similarly I put on the use of Kodol Dyspepsia Cure. He is gaining fast and will soon be able to work. Before he used Kodol Dyspepsia Cure indigestion had made him a total wreck."

A NEW DEPARTURE.

The Kehukee Association will hereafter meet in the middle of the week. Two reasons are assigned for this, the avoidance of the large Sunday crowds which go not to worship God, and to avoid the expense of entertaining such large crowds.

It is now believed that the association will be attended chiefly by those who love God and their church. The change will disappoint many. Some who thoroughly and innocently enjoy the meetings and a few who would make the day a picnic. These godless few are the ones who probably have done most to bring about the change. The relegating them to the "rear" is to be most highly commended. —Tarboro Southerner.

Kodol Dyspepsia Cure is not a mere stimulant to tired nature. It affords the stomach complete and absolute rest by digesting the food you eat. You don't have to diet but can enjoy all the good food you want. Kodol Dyspepsia Cure instantly relieves that distressed feeling after eating giving you new life and vigor.

—The American Tobacco Co. has not succeeded in driving the Wells-Whitehead Cigarette Co. (Carolina Brights), out of business. That concern is doing so well that it is forced to enlarge to enable it to keep up with its orders.—Tarboro Southerner.

Lewis Ockerman, Goshen, Ind.: "DeWitt's Little Early Risers never bend me double like other pills, but do their work thoroughly and make me feel like a boy." Certain thorough, gentle.

THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves

NO NOXIOUS DOSES, NO WEAKENING OF THE NERVES. A PLEASANT AND POSITIVE CURE FOR THE LIQUOR HABIT.

It is now generally known and understood that Drunkenness is a disease and not a weakness. A body filled with poison and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS!! CHILDREN CURE YOUR FATHERS!! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "HOME GOLD CURE" administered by loving friends and relatives without their knowledge and against their will. Believe us to-day that they discontinued drinking of their own free will. DO NOT WAIT. Don't be deluded by apert and misleading "improvement." Drive out the disease at once and for all time. The "HOME GOLD CURE" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effective than others costing \$25 to \$50. Full directions accompany each package. Special advice from skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. The Southern Warehouse,
ROBERSONVILLE, N. C.

This is the place, and we are the people to sell your

TOBACCO.

Farmers, why do we say this?

First, We admit we are not one of the large markets; but, ask judges where is the best prices, and competent judges will tell you on **Small Markets**. Again our competitors are telling you that we will have no buyers, and that they will soon shut us up, that we can't sell tobacco, 'Who are these people? are they friends of you farmers.

No! without contradiction, we say no. They are straining every nerve to close up the market at your door. Does this look to you like combination? Stop and think, we say it does. Close this market and where is your competition? It seems ridiculous to us to see such statements made to farmers as

are being made by our competitors, but they are wise, and their wisdom is only being exercised for their own benefit and not for you farmers. We stand out boldly, and are determined to fight anything that tends towards combination. We will stand by you, if you will stand by us.

They remind us of the old story of the Coon. They have nice things to say now, but we warn you it is the same old Coon, except, instead of one more stripe, they have rubbed off one.

Farmers, you can't competition for your tobacco.

You can only Get it by standing by our Market

We assure you we are in earnest; we will fight this thing to a finish; if we don't succeed, farmers you contribute to our defeat
