Thursday, November 29th is Thanksgiving Day. All the stores in town will be closed on that day.

The new house of Mr. W. H. Leggett has been framed and in a short while he will have it closed in.

Mr. W. A. Ellison is having his already pretty home greatly improved by adding a large dining room and lengthening the hall.

Our carpenters are very busy and from present indications will be for sometime. This is a fine opening for a first-class contractor.

Mr. Jas. A. Teel received a very fine engine last Saturday. He is now at work with a new engine and a new peanut thrashing machine.

The merchants in town were very busy last Saturday. Some of our merchants say it was the best Saturday trade they have had in years. New enterprises will count even though they are small.

Uncle Bob McVey, alias "Santa Claus" of Kentucky, will be in town to-day with a carload of fine mules, and wishes to inform his friends that he can be found doing business at the same "old stand."

Preaching at the Baptist church Sunday morning and evening. Mr. Mason will preach a special sermon Sunday morning on "Conversion of Children." Everybody is invited and especially the children.

Dr. John D. Biggs, the popular young dentist, who left here a few months ago to open an office in Winston, is to return to Williamston soon. He will occupy an office in the rear of the law office of Mr. Wheeler Martin. Lumber for the building of same is now on the premises.

ANOTHER STORE.—Mr. A. A. Coburn a prominent merchant of Williamston has rented the store-room next to H. E. Brewer & Co, and will open a line of dry goods and notions about the first of January. This room, at present, is occupied by Messrs. Hackney Bros., who intend to move all their goods into one room. We extend to Mr. Coburn a welcome to our town and wish him much success.—Spokesman.

On Monday evening Nov. 11th, the concert given by the Alumnae of Littleton Female College, Nov. 4th was repeated with increased success. Several changes were made in the programme and an evening of rare pleasure and profit was spent. The Elocution and Music, both vocal and instrumental, formed a very pleasing intermixture. Every selection received a generous applause.

The concert was pronounced one of the finest ever given in the College Chapel.

A committee consisting of Dr. J. E. H. Knight, Dennis S. Biggs and Jas. D. Leggett with A. C. Jones left Monday morning on a visit to Rocky Mount, Wilson, Goldsboro and Kingston in the interest of the tobacco market here. These gentlemen report a good time. They were very cleverly received at all these points and found a deep interest prevailing all over the country in the movement here. They, with the full building committee, will very soon draw up definite plans for the building, and the orders for lumber will soon be placed and we expect soon to hear the noise of hammer and saw in the construction of the market. The market will soon be a reality. While the crops in this section are much below what was expected, and really below an average, these gentlemen report much better crops elsewhere and say the crops of Martin are as good as any they saw. In some of the sections they passed through the crops are almost a complete failure and look like starvation. They say the people of Martin ought to be thankful.

A VILLAGE BLACKSMITH SAVED HIS LITTLE SON'S LIFE.

Mr. H. H. Black, the well-known village blacksmith at Grahamsville, Sullivan Co., N. Y., says: "Our little son, five years old, has always been subject to croup, and so had have the attacks been that we have feared many times that he would die. We have had the doctor and used many medicines, but Chamberlain's Cough Remedy is now our sole reliance. It seems to dissolve the tough mucus and by giving frequent doses when the croupy symptoms appear we have found that the dreaded croup is cured before it gets settled." There is no danger in giving this remedy for it contains no opium or other injurious drug and may be given as confidently to a babe as to an adult. For sale by N. S. Peel & Co.

Acts promptly. It is very pleasant to the taste and perfectly harmless. C. B. THE HOME GOLD CURE.

An Ingenious Treatment by which Wreckards are Being Cured Daily in Spite of Themselves

NO SICKNESS AND NO WEAKENING OF THE NERVES. A PLEASANT AND POSITIVE CURE FOR THE TYPICAL DRUNKARD.

It is now generally known and understood that Drunkenness is a disease and not a weakness. A body filled with poisons and nerves completely shattered by perniciolous or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without public exposure, no matter how long a disease. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS! CHILDREN CURE THEIR FATHERS! This remedy is in no sense a nostrum. It is a specific for this disease only, and is so skillfully devised and prepared that it is thoughtful, of life and pleasant to the taste, so that it can be given in a cup of tea or coffee without the least injury to the person taking it. Thousands of Drunkards have cured the disease with this precious remedy, and as many more have been cured and made better men by having the "CURE" administered by loving friends and relatives without their knowledge—in coffee or tea, and believe why at all they discontinued drinking of anything free will, for 200 years. Don't be misled by agents and peddlers "impersonating" us at the distance at one or more prices. The "HOME GOLD CURE" is the only one with the result of everybody a Drunkard, more of local than of foreign origin. For 200 years it has been the only one, and it is still the only one. Special advice from medical professionals will be supplied with it at a charge. Sent prepaid to any part of the world on receipt of One Dollar. Address: Gurganus Drug Store, N. S. Peel & Co., 725 and 722A Market St., Philadelphia, Pa. If correspondence strictly confidential.
