The attention of the City Fathers is called to the condition of the sidewalks in New Town. Sand is wasted on other streets that is needed on these walks. When it rains, as it did Tuesday night, pedestrians have to wade home. People living in New Town are taxpayers, and not only deserve but demand a share of the public funds. Either give good walks or furnish free hacks.

The Southern Supply Co., recently organized in Williamston to do a general brokerage business, is one of the town's most marked improvements. THE BEST REMEDY FOR CROUP.

This is the reason when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost, in case of croup, as a revolver is sure to be lost in case of burglars. There used to be an old fashioned remedy for croup, known as five syrup and tola, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much. It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and is safe to take. For sale by N. S. Peel & Co.

In less than half an hour after applying it the child was quiet and asleep and in less than two weeks was well. Mrs. Benson is a well known resident of Keller, Va. DEATH OF MRS. W. R. WHITE.

On November 25, 1902, Jennie Taylor, beloved wife of W. R. White, died of pneumonia, after several weeks of suffering, at her home in Williamston.

She was born in Martin county on October 6, 1876. In 1898 she joined the Baptist church, and her life has been that of a sweet, consecrated christian. Her faith in the Savior never wavered through the hours of her illness.

A husband and three children, the youngest being only twenty one month old, are left to mourn their loss.

Funeral services were held in the Baptist church by the pastor, Rev. B. K. Mason, at 1:30 o'clock p. m. on Wednesday. Interment was in the family plot in the Baptist cemetery.

CABLE VS. STEIFF.

At the great Weldon Fair where the Cable Company won every first prize they hoped to get an honest comparison with Steiff and all others by a committee of honest judges. But, to the surprise of some, the "so-called" 60-year-old Steiff, after renting space, with pianos in the depot, and two (2) salesmen in town, showed the white feather, and backed square down—Why? Because afraid of the test. Yes, the Cable was there, entered as best upright piano made, and it has the Fair's Diploma to show that it is, by judges, honest and competent.

ROBERSONVILLE.

[By Correspondence.]

W. A. James & Co., have opened up Sale and Exchange Stables here, and are offering a fine lot of horses and mules for sale.

Mr. Adkins, of the firm of Adkins, Taylor and Bailey, warehousemen, went to Wilson Sunday. Mr. Adkins returned in time for the sale Monday.

Salesman Evans, of the firm of G. D. and J. C. Roberson, spent Sunday in Tarboro. The purpose of his visit is an unknown quantity of the second degree.

To-day is a national holiday, and it is being rigidly observed by the people of this town. All the business houses are closed and one is reminded of Sunday. You will not find any two people that will exactly agree as to how Thanksgiving Day should be spent. Men's ideas differ widely on this point. The most of our people are spending it as a day of recreation. It is suggestive that no church bells are heard this morning. Hunting and sporting are very peculiar ways of giving thanks, and not exactly in accord with the President's and Governor's proclamation.

"Mr and Mrs W. H. Keel request your presence at a party given in honor of their daughter, Hettie's nineteenth birthday, Friday evening, November 21st, 1902." The above is a facsimile of invitations which were widely circulated around town last week. There is no better way to test the popularity of a young lady than to give a birthday party, and if Miss Keel's popularity is to be measured by this criterion—if a large and enthusiastic audience and presents galore are any evidence, then it is an established fact that Miss Keel is exceedingly popular. Lively and spicy conversations, interspersed with a variety of games was the order of the part of the evening. Later the guests were taken to the dining room where an elegant supper was served, a la mode Miss Hettie Keel. The room was profusely decorated, and the long table laden with fruits and eatables of every kind and description of which this community can boast. Everybody had a good time and went away full and with a sense of satisfaction.

CURED OF PILES AFTER 40 YEARS.

Mr. C. Haney, of Geneva, Ohio, had the piles for forty years. Doctors and dollars could do him no lasting good. DeWitt's Witch Hazel Salve cured him permanently. Invaluable for cuts, burns, bruises, sprains, lacerations, eczema, tetter, salt rheum and all other skin diseases. Look for the name DeWitt on the package—all others are cheap, worthless counterfeits. S. R. Biggs.

THIS IS OUR

THANKSGIVING TURKEY.

THE ONLY ONE WE HAVE RECEIVED.

The Cook Was Safe. An Italian prince who had a Sicilian cook was once traveling to his provincial estate, taking with him his cook, together with his entire kitchen force, without which, no food was so of the delicacies they were wont to prepare, he rarely if ever traveled. At a point where the narrow path along the precipice turned the angle of a projecting rock the prince, at the head of his long cavalcade, heard a shriek and the splash of a body falling into the torrent far below. With a face white with horror he pulled up and, looking back, exclaimed: "The cook! The cook! Oh, do not tell me it is the cook!" "No, your excellency," cried a voice from the rear, "it is Don Prodoquo!" The prince heaved a sigh of intense relief, then said: "Ah, only the chuplain! Thank goodness!"
